Chapter 8 The Pragmatic Paradigm Ethiopia Ed

The pragmatic paradigm refers to a worldview that focuses on “what works” rather than what might be considered absolutely and objectively “true” or “real.”. Early pragmatists rejected the idea that social inquiry using a single scientific method could access truths regarding the real world. These pragmatists declared that truth could be judged by its consequences.

Pragmatism Paradigm, has anyone adopted it in his/her thesis?

The book introduces pragmatic constructivism as a paradigm for understanding actors' construction of functioning practice and for developing methods and concepts for managing and observing that practice. The book explores, understands and theorises organisational practices as constructed through the activities of all

organisational actors.
