and medium for the emergence of relational realities of leadership and organisation.

How Can Philosophy Help Management and How Can Management ...

Abstract. This chapter presents some fundamental concepts of the philosophy of management and corporations by addressing the problem of corporate legitimacy and Immanuel Kant's distinction between theoretical, practical, and aesthetic reason and judgment. This chapter begins with a general definition of philosophy of management and corporations and continues by presenting its ontological and

epistemological underpinnings.

Basic Concepts of Philosophy of Management and of ...

Using relationship philosophy, a utilitarian ethical system would say that, if so, then breaking up with your old partner is the right thing to do. However, this also means that if your old partner's unhappiness was greater than the sum of happiness created by your new relationship, it would be morally wrong to end things with your old partner.
