Nightcore - let me die (Lyrics) [lil happy lil sad] - YouTube

To cut my veins or to take too much
 drugs... Why I want to die? Well, I am a
 creative person and I've always wanted

to be a designer or an illustrator. I can
 draw very good. But my parents think
 that this is a bad job, and didn't let me
 go to the designer program. They want
 me to be a nurse, because they think
 this is the best job in the world.

I want to die. What is the easiest way to do that?

Lil Happy Lil Sad - let me die Lyrics | Genius Lyrics

The title says it all -- I don't want a lot of
suffering before it's my time to go. God
will go me a great favor if he "Lets me
die before I wake." I watched my
wonderful mother and father suffer
horribly (years apart from each other); it
would have been so much easier for
them If they had died in their sleep.

Let Me Die Before I Wake:

Hemlock's Book of Self ...

The title actually fooled me into thinking
the song was about being though and
not needing love before I listened. The
only lyrics I can recall are something like
"They tell me (to leave you alone or
something) but I do, love you" "It's the
way you look at me, the way you smile"
And that is the chourus.
