Introduction. To begin, open AutoCAD to a blank drawing and type VLIDE at the command line. A window should appear, containing two or more smaller windows including the Console Window & Trace Window (more on these later). Let's begin by opening a New File in which we can start to construct a program.

An Introduction to the Visual LISP IDE | Lee Mac Programming

An Introduction To Visual Culture by Nicholas Mirzoeff. The author traces the history and theory of

visual culture asking how and why visual media have become so central to contemporary everyday life. He explores a wide range of visual forms, including painting, sculpture, photography, television, cinema, virtual reality, and the Internet while addressing the subjects of race, ethnicity, gender, sexuality, the body, and the international media event that followed the death of Princess Diana.
