Creative Teaching: History in the Primary Classroom eBook ...

Creativity in teaching takes many forms. It is often associated with the arts, but this is to ignore the myriad ways in which teachers can teach creatively across the whole curriculum. Teaching creatively through history means treating history first and foremost as an active process of enquiry by children. It involves the use of the creative imagination grounded in evidence, where the teacher:

3. Use visual media to aid your teaching – One good thing about history is that film makers have an unabashed love for the subject. There are plenty of films available in the historical genre. In case you want your students to understand

how serious the Holocaust was, you could possibly show them Schindler's List, The Diary of Anne Frank or even The Pianist.

6 Ways To Make History Class More Fun | The Teachers Digest

Nurturing learner creativity is a key aim for many schools. Teachers and school leaders continue to see the development of creativity as an essential part of their job. They recognise that an appropriate climate for creative thought and activity has to be established (Ofsted, 2006, 2009), and know that pressures to improve standards in 'the basics' can crowd creativity out of the curriculum.

Teaching History Creatively provides vivid and rich examples of the creative use of sources, of approaches to understanding chronology and concepts of time and of strategies to create interpretations. It is an

essential purchase for any teacher or educator who wishes to embed creative approaches to teaching history in their classroom.

Teaching History Creatively | Taylor & Francis Group

While teaching history can be both fun and rewarding, it can also be challenging to keep students engaged and interested. By using best teaching practices, getting creative with your classroom activities, and teaching history inclusively, you can appeal to even the most resistant students and help them truly enjoy learning about the past.
