Tijan is one of my favourite authors, add that to the fact that Carter Reed is a mega hot mob boss with a heart, then there is no wonder that I love this book so much Love Emma's character, she is so strong willed, all the way through the

book you're rooting for her and willing Carter to let her in. Sexual tension is high and I loved the interaction between Carter and Emma.

Tijan is one of my
favourite authors,
having just finished
Bennett Mafia which I
absolutely raved about,
I was really

disappointed in Carter
Reed. Don't get me
wrong, Carter's
character was a typical
bad boy mafia type
and even Emma had
some cuts, but the
story lacked something
for me, it started off
strong, then I found
myself skim reading it.
