Peer Relationships in Cultural Context (Cambridge Studies

...
Cultural context plays an important role in the development of individual social and behavioral characteristics and peer relationships (e.g., Hinde, 1987). As a result, children in different cultures may engage in different types of social interactions and develop different types of relationships. Moreover, cultural values and beliefs, particularly those pertaining to developmental goals and socialization practices, may affect the function and organization of peer relationships.

Peer Relationships in Cultural Context by Xinyin Chen

In this chapter, we address the topic of peer relations in cultural context to elaborate how classic and recent approaches to research can be brought together to construct a set of guiding principles for thinking about the cultural dimensions of children's socialization by peers. We define peers as nonfamily children who are similar to one another in age and competence level.

...

Therefore, peer relationships provide a context for behaving in ways that might not exist within the family (Hartup & Sancilio, 1986; Sullivan, 1953). The definition of peers as nonfamilial, reciprocal relationships of choice with persons close in age requires some additional consideration due to cultural variations in what constitutes a family and a peer, and in what constitutes choice and reciprocity.
