**Street Children And
Juvenile Justice**

Street-involved children are particularly vulnerable to human rights abuses within criminal justice systems: they are more likely to come into contact with the system in the first place (whether or not they have actually committed an offence) and are less able to defend themselves from abuses once within the system. Due to their lack of contact with responsible adults and lack of fixed address street children are less likely to benefit from diversion schemes, release mechanisms such as bail ...

Street Children and Juvenile Justice | CSC
Summary. This publication aims to provide a comprehensive

overview of the causes and consequences of street children's involvement in criminal justice systems in a wide range of countries. It builds on the experiences of a wide range of individuals and organisations internationally, drawing together both theory and practice into an innovative framework for overall reform.

An Outside Chance: Street Children and Juvenile Justice | CSC

- A national workshop on the human rights of street children within the juvenile justice system of Lagos State, Nigeria, was held from Monday to Wednesday, June 2–4, 2003.
- The workshop, which was jointly...

Street Children, Juvenile Justice and Mental Disability | CSC

General recommendations for addressing street children in the context of juvenile justice. The recommendations are taken from the book *An Outside Chance: Street Children and Juvenile Justice - An International Perspective*. Recommendations span a range of aspects within the juvenile justice system, including prevention, arrest, pre-trial detention, remand, diversion, trial, detention, and reintegration.

...
Summary. Street

children are particularly vulnerable to abuses in juvenile justice systems: they are more likely to come into (actual or perceived) conflict with the law, and they are less able to defend themselves from abuse once within the system.

Street Children and Juvenile Justice in Nicaragua | CSC

Summary. Street children are particularly vulnerable to abuses in juvenile justice systems: they are more likely to come into (actual or perceived) conflict with the law, and they are less able to defend themselves from abuse once within the system.

Street Children and the Juvenile Justice

System in Lagos ...

This paper is part of a two-year research and advocacy project examining the situation of the human rights abuses of street children in juvenile justice systems in six countries: Kenya, Nicaragua, Nigeria, Pakistan, the Philippines and Romania. The study used research and national, cross-sectoral workshops involving street children, civil society organisations, the police, judiciary, social and probation services and other stakeholders.

Street children and juvenile justice in Nicaragua | Eldis

Street children are particularly vulnerable to abuses in juvenile justice systems: they are more likely to

come into (actual or perceived) conflict with the law, and they are less able to defend themselves from abuse once within the system. CSC has undertaken a two-year research and advocacy project with local partners to examine the situation of street children in juvenile justice systems in six countries: Kenya, Nicaragua, Nigeria, Pakistan, the Philippines and Romania.

Street Children and Juvenile Justice in Romania | CSC

As opposed to the traditional system of the administration of juvenile justice, the Children's Act has recognized the rights and welfare of the child. There are approximately 30,000

street children nationwide, of whom 3,700 are children "of the street", that is, children who actually both reside and work on the street.

Street Children and Juvenile Justice in ...

- [unicef-irc.org](https://www.unicef-irc.org)

Justice systems meant to protect and support children who have experienced gender-based violence, child labour, trafficking, and other rights violations – as well as those who have witnessed a crime – can often compound their suffering.

Justice for children | UNICEF

Street children, violence and juvenile justice systems One of the biggest challenges that street children face is persistent exposure to and direct

experiences of violence, be it physical, sexual and/or psychological in nature. Indeed, a push factor causing children to connect with the street is home-based violence.

Street children and violence in juvenile justice systems ...

More than 48,000 youth held in the juvenile and criminal justice systems during the pandemic are at greater risk of infection AND of experiencing additional trauma and lifelong harm because of a lack of mental health care services. These youth are less healthy than their peers and suffer from a number of pre-existing conditions that may make them more likely to become seriously ill if exposed to

COVID-19.

Juvenile Justice - Children's Rights

Street children and juvenile justice in Nigeria.
