Review: Deadly Lies by Chris Patchell + Giveaway

DEADLY LIES by Chris Patchell is a darn good read. It started out a little wonky for me, but it doesn’t take long to get into the heart of the story, and when it does, it never lets up. The story is told tandem style, and weaves what’s going on in Alex and Shannon’s lives by allowing them to take center stage and tell what’s going on through their POV.
