Legal Interpretation Perspectives From Other

"Legal Interpretation offers a masterful exploration of what law can learn from other disciplines before focusing on the understudied area of legal interpretation in private transactions. Kent Greenawalt emphasizes the range of tools that judges can and should use in interpreting legal texts, while arguing persuasively against those who would dogmatically narrow legal interpretation to a single tool or approach.

I have (relatively) recently finished Sean Carroll's Something Deeply Hidden. I'm also under the impression that the Many-Worlds Interpretations (MWI) is favored by many in the lesswrong community. However, the more I think about it, the Copenhagen Interpretation (and other recent variants like RQM and QBism) becomes more appealing. I am not a physicist by any means.
