Heat And Mass Transfer Journal

Aims & scope. Journal updates. This journal is dedicated to publishing new developments in the field of basic research of heat and mass transfer phenomena, as well as related material properties and their measurements, thereby promoting applications to engineering problems. Formerly titled "Wärme- und

Stoffübertragung," the journal has been publishing under the title "Heat and Mass Transfer" since 1995.

Heat and Mass Transfer | Home

International Journal of Heat and Mass Transfer is the vehicle for the exchange of basic ideas in heat and mass transfer between research workers and engineers throughout the world. It focuses on both analytical and experimental research, with an emphasis on contributions which increase the basic understanding of transfer processes and their application to engineering problems.
