This is ethical consideration in action. Ethical considerations that criminal justice policymakers must make include citizens' rights to privacy, prisoners' rights while incarcerated, and how to apply laws and justice procedures to the population without privileging or disadvantaging specific groups. A criminal justice system is meant to serve the people, not to punish them unjustly or only serve specific classes.

Ethics In Crime And Justice Dilemmas And Decisions

Criminal justice and ethics are closely related. According to social contract theory, the denizens of a country give up certain liberties to be protected by the government, and criminal justice professionals are agents of the government. Justice practitioners are expected to have a higher moral character, so that the common man can feel confident about the agents of the government that are affording them protections.

Ethics, Crime, and Criminal Justice by Christopher R. Williams

Ethics are actually the very foundation of the criminal justice system. They're what helped us, as a society, develop the moral reasoning we use, define criminal activity, and deem acceptable as punishment. It's an important topic because our criminal justice system is most effective when it's operating in an ethical manner.
