The Firebrand And The First

Patricia Bell-Scott's "The Firebrand and the First Lady" was a well-researched book about the friendship between Pauli Murray and Eleanor Roosevelt. This book is a great companion to the 2017 biography *Jane Crow: The Life of Pauli Murray* by Rosalind Rosenberg which I also highly recommend. I would suggest that you read *Jane Crow* first before this book, so that you can get a full grasp of who Murray is before you read about her friendship with Roosevelt.
