A Decade Of Human Security

A Decade of Human Security encapsulates a paradigm shift that should appeal not only to academic

scholars but also to practitioners and lay people who are grappling with the swift current of changes in perception of what it means to be secure in the twenty-first century.

A Decade of Human Security: Global Governance and New ...

Human security has been advanced as an alternative to traditional state-based conceptualizations of security, yet controversies about the use and abuse of the concept remain. Investigating innovations in the advancement of the human security agenda over the past decade, this book identifies themes and processes around which consensus for future policy action might be built.
