Poems

A Linguistic Analysis of "Preludes,"

By T.S. Eliot

Four Quartets HarperCollins

The last major verse written by Nobel laureate T. S. Eliot, considered by Eliot himself to be his finest work Four Quartets is a rich composition that expands the spiritual vision introduced in “The Waste Land.” Here, in four linked poems (“Burnt Norton,” “East Coker,” “The Dry Salvages,” and “Little Gidding”), spiritual, philosophical, and personal themes emerge through symbolic allusions and literary and religious references from both Eastern and Western thought. It is the culminating achievement by a man considered the greatest poet of the twentieth century and one of the seminal figures in the evolution of modernism.

An interpretation of T.S. Eliot's “Preludes”. A vision of a vision GRIN Verlag

Seminar paper from the year 2013 in the subject English Language and Literature Studies - Literature, grade: 2,3, University of Potsdam (Anglistik), course: Symbolism and Modernism in British Poetry, language: English, abstract: In my discussion of the poem, "Preludes" by T.S. Eliot, I will proceed in a more or less chronological order. The first stanza envisions a lonely street in the evening drawing a connection between writing and walking. The 2nd stanza shows probably the same street on a busy morning illustrating the restlessness of the city dwellers as well as their lack of self-determination. In the 3rd stanza the street scene is left altogether, instead a single woman is depicted lying in her bed. In a state of expanded awareness she gains a superior view on the world. In the last stanza I shall indicate how the blindness of everyday routine hinders the rest of the city dwellers from noticing this sort of spiritual revelation. The meta-poetic references in the end overtly unmask the speaker as being a poet, making plain that the poem is not to be taken as a means to communicate reality, but rather as the experience of a mental image.

Prufrock and Other Observations Graphic Arts Books

Prufrock and Other Observations (1917) is a collection of poems by T.S. Eliot. Published following the successful appearance of “The Love Song of J. Alfred Prufrock” in the June 1915 issue of Poetry: A Magazine of Verse, Prufrock and Other Observations established Eliot’s reputation as a leading English poet and pioneering literary Modernist. Opening with “The Love Song of J. Alfred Prufrock,” the collection begins with an invocation of Dante, whom Eliot saw as an important innovator of a polyphonic, referential poetry capable of interrogating and dramatizing the construction and representation of the self. The poem is written from the perspective of a repressed, despairing middle-aged man who meditates on his relationships with women and the regrets he has accumulated with age. In “Preludes,” a poem of urban malaise, Eliot “thinks of all the hands / That are raising dingy shades / In a thousand furnished rooms,” and reaches for an understanding of the world as “some infinitely gentle / Infinitely suffering thing.” Other poems include “Morning at the Window,” another brief vision of city life, “The Boston Evening Transcript,” a satirical reverie on time and community, and “Cousin Nancy,” a humorous lyric celebrating Miss Nancy Ellicott, who unabashedly “smoked, / And danced all the modern dances. Both personal and universal, global in scope and intensely insular, Eliot’s poetry changed the course of literary history, inspiring countless poets and establishing his reputation as one of the foremost artists of his generation. With a beautifully designed cover and professionally typeset manuscript, this edition of T.S. Eliot’s Prufrock and Other Observations is a classic of English literature reimagined for modern readers.

The Waste Land Graphic Arts Books

The Waste Land (1922) is a poem by T.S. Eliot. After suffering a nervous breakdown, Eliot took a leave of absence from his job at a London bank to stay with his wife Vivienne at the coastal town of Margate. He worked on the poem during these months before showing an early draft to Ezra Pound, who helped edit the poem toward publication. The Waste Land, dedicated to Pound, includes hundreds of quotations of and allusions to such figures as Homer, Sophocles, Virgil, Ovid, Dante, Saint Augustine, Chaucer, Baudelaire, and Whitman, to name only a few. Divided into five sections—“The Burial of the Dead;” “A Game of Chess;” “The Fire Sermon;” “Death by Water;” and “What the Thunder Said”—The Waste Land is a complex poem that translates Eliot’s fragile

emotional state and increasing dissatisfaction with married life into an apocalyptic vision of postwar England. The poem begins with a meditation on despair before moving to a polyphonic narration by figures on the theme. The third section focuses on death and denial through the lens of eastern and western religions, using Saint Augustine as a prominent figure. Eliot then moves from a brief lyric poem to an apocalyptic conclusion, declaring: “He who was living is now dead / We who were living are now dying / With a little patience.” Both personal and universal, global in scope and intensely insular, The Waste Land changed the course of literary history, inspiring countless poets and establishing Eliot’s reputation as one of the foremost artists of his generation. With a beautifully designed cover and professionally typeset manuscript, this edition of T.S. Eliot’s The Waste Land is a classic of English literature reimagined for modern readers.

The Love Song of J. Alfred Prufrock

Poetry by T.S. Eliot (Deseret Alphabet Edition)

Thomas Stearns Eliot (1888-1965) was an Anglo-American poet, essayist, publisher, playwright, literary critic and editor. Although considered a seminal modernist poet, he is best known today as the author of the poems used as the basis for the Andrew Lloyd Webber musical, "Cats." Eliot won the Nobel Prize for Literature in 1948. We provide here a compilation of three slim, early volumes of Eliot's poetry. Among the poems included are two of his most famous works, "The Love Song of J. Alfred Prufrock" and "The Waste Land," complete with Eliot's own, somewhat notorious, notes on the latter. This book is in the Deseret Alphabet, a phonetic alphabet for writing English developed in the mid-19th century at the University of Deseret (now the University of Utah).

Rehabilitating Literary Theory

A Practical Guide for the Critical and Semiotic Analysis of Poetry and Drama *Universal-Publishers*

The present work seeks to bring literary theory in line with the most recent practical turn the humanities are witnessing. When simplified, succinctly presented, and skillfully used in multi-coded interpretation within a semiocritical framework, literary theories become practical exercises in criticism, not only facilitating the interpretation of literature, but also making it more enjoyable and more rewarding. This book is different from its counterparts in the sense that it includes an exceptionally expanded model of the practice of literary theories, and replaces long and theoretical discussions with brief synopses of the examined theories. It relies on less-overused texts for illustration as it compiles and organizes the terms and phrases that are often used by the proponents of the discussed theories. The most influential literary theories that have so far been developed in academia are included: the New Criticism, reader-response criticism, structuralism, deconstruction, feminism, Marxism, psychoanalytic criticism, linguistic criticism, cultural materialism, new historicism, postcolonialism, and semiotics. Through eliminating the excesses made in the name of theory, this book will restore the faith of students, teachers, and practitioners in the useful and enduring nature of literary theory for the analysis and appreciation of literature.

Old Possum's Book of Practical Cats *Houghton Mifflin Harcourt*

T. S. Eliot's playful cat poems were originally composed for his godchildren, with Eliot posing as Old Possum himself, and later inspired the legendary musical "Cats." Now with vibrant illustrations by the award-winning Axel Scheffler.

The Rock *Houghton Mifflin Harcourt*

The Nobel Prize-winning author created the words for this unique play about religion in the twentieth century. The choruses in this pageant play represent a new verse experiment on Mr. Eliot's part; and taken together make a sequence of verses about twice the length of “The Waste Land.” Mr. Eliot has written the words; the scenario and design of the play were provided by a collaborator, and the purpose was to provide a pageant of the Church of England for presentation on a particular occasion. The action turns upon the efforts and difficulties of a group of London masons in building a church. Incidentally, a number of historical scenes, illustrative of church-building, are introduced. The play, enthusiastically greeted, was first presented in England, at Sadler’s Wells; the production included much pageantry, mimetic action, and ballet, with music by Dr. Martin Shaw. Immediately after the production of this play in England, Francis Birrell wrote in The New Statesman: “The magnificent verse, the crashing Hebraic choruses which Mr. Eliot has written had best be studied in the book. The Rock is certainly one of the most interesting artistic experiments to be given in recent times.” The Times Literary Supplement also spoke with high praise: “The choruses exceed in length any of his previous poetry; and on the stage they prove the most vital part of the performance. They combine the sweep of psalmody with the exact employment of colloquial words. They are lightly written, as though whispered to the paper, yet are forcible to enunciate There is exhibited here a command of novel and musical dramatic speech which, considered alone, is an exceptional achievement.”

Bubu of Montparnasse

In Memoriam

Selected Poems *eBookIt.com*

"There are no poetic 'subjects' in this book, no conventional nightingales and daffodils, and there is no acceptance, either, of the traditional rules of metre and rhyme. As one discerning critic has said: 'We have here, in short, poetry that expresses freely a modern sensibility, the ways of feeling and the modes of experience of one fully alive in his own age'. "The main poem in this collection is 'The Waste Land' (1922) to which Mr. Eliot has himself supplied some revealing footnotes which help the reader to cope with the associations and allusions in which the poem is so rich. His theme here, as in most of his other poems, is disillusion with our contemporary civilization, which he contrasts in several of its aspects with the beliefs and practices of other and earlier races. It is a difficult poem to follow and even Mr. Eliot's own sign-posts are sometimes cryptic.

Praised for its poetically masterful handling of issues of faith, politics, and the common good, T. S. Eliot's play bolstered his reputation as the most significant poet of his time. It has been performed on stage, film, and television since 1935 and was the basis for the opera Assassinio nella Cattedrale by the Italian composer Ildebrando Pizzetti.

The Naming of Cats *Faber & Faber*

The Naming of Cats is a difficult matter, It isn't just one of your holiday games; You may think at first I'm as mad as a hatter When I tell you, a cat must have THREE DIFFERENT NAMES. The Waste Land and Other Writings *Modern Library*

First published in 1922, "The Waste Land" is T.S. Eliot's masterpiece, and is not only one of the key works of modernism but also one of the greatest poetic achievements of the twentieth century. A richly allusive pilgrimage of spiritual and psychological torment and redemption, Eliot's poem exerted a revolutionary influence on his contemporaries, summoning forth a rich new poetic language, breaking decisively with Romantic and Victorian poetic traditions. Kenneth Rexroth was not alone in calling Eliot "the representative poet of the time, for the same reason that Shakespeare and Pope were of theirs. He articulated the mind of an epoch in words that seemed its most natural expression." As influential as his verse, T.S. Eliot's criticism also exerted a transformative effect on twentieth-century letter, and this new edition of The Waste Land and Other Writings includes a selection of Eliot's most important essays. In her new Introduction, Mary Karr dispels some of the myths of the great poem's inaccessibility and sheds fresh light on the ways in which "The Waste Land" illuminates contemporary experience.

The Great War, The Waste Land and the Modernist Long Poem *Bloomsbury Publishing*

The Great War, The Waste Land and the Modernist Long Poem explores how cultural responses to the trauma of the First World War found expression in the form of the modernist long poem. Beginning with T.S. Eliot's The Waste Land, Oliver Tearle reads that most famous example of the genre in comparison with lesser known long poems, such as Hope Mirreles's Paris: A Poem, Richard Aldington's A Fool I' the Forest and Nancy Cunard's Parallax. As well as presenting a new history of this neglected genre, the book examines the ways in which the modernist long poem represented the seminal literary form for grappling with the crises of European modernity in the wake of World War I.

The Narratological Analysis of Lyric Poetry**Studies in English Poetry from the 16th to the 20th Century** *Walter de Gruyter*

This study offers a fresh approach to the theory and practice of poetry criticism from a narratological perspective. Arguing that lyric poems share basic constituents of narration with prose fiction, namely temporal sequentiality of events and verbal mediation, the authors propose the transgeneric application of narratology to the poetic genre with the aim of utilizing the sophisticated framework of narratological categories for a more precise and complex modeling of the poetic text. On this basis, the study provides a new impetus to the neglected field of poetic theory as well as to methodology. The practical value of such an approach is then demonstrated by detailed model analyses of canonical English poems from all major periods between the 16th and the 20th centuries. The comparative discussion of these analyses draws general conclusions about the specifics of narrative structures in lyric poetry in contrast to prose fiction.

The Poetics of Impersonality**T. S. Eliot and Ezra Pound**

In this classic work, Maud Ellmann examines T. S. Eliot's and Ezra Pound's criticism in terms of what she calls the 'poetics of impersonality'. She convincingly shows that Eliot's and Pound's attempts to overcome personality merely reinstated it in a new guise. And her superb and entirely original readings of the major poems of the modernist canon have earned a lasting place in criticism. Following an analysis of Eliot's relation to Bergson, Ellmann goes on to analyse Eliot's 'Tradition and the Individual Talent' and the later After Strange Gods, the early poems, The Waste Land, and Four Quartets. She then turns to Pound's Personae, particularly 'Maunderley', and the Cantos. Ellmann looks for the contradictions inherent in modernist literary ideology and deftly teases out their implications. Stylish and perceptive, this book marked the debut of a major literary critic, and it has as much resonance today as it did on first publication.
