Front loader Washing machines and tumble dryers should be transported standing. If this is not possible, the device can be transported lying on the left side, on which the detergent drawer is located. The washing machine should be slightly elevated in the upper area, so that the device is at an angle.

Washing Machines - AEG | Help and Support

Ensure your garments look like new for longer with our freestanding washing machines. Our front-loading washing machines offer a wide range of smart features and programmes that wash and care for your clothes, including ProSense technology which weighs each load to provide a tailored cycle and ProSteam which reduces the need for ironing.
