Raised on a flower farm in California, Sumiko is used to being the only Japanese girl in her class. Even when the other kids tease her, she always has had her flowers and family to go home to. That all changes after the horrific events of Pearl Harbor. Other Americans start to suspect that all Japanese people are spies for the emperor, even if, like Sumiko, they were born in the United States! As suspicions grow, Sumiko and her family find themselves being shipped to an internment camp in one of the hottest deserts in the United States. The vivid color of her previous life is gone forever, and now dust storms regularly choke the sky and seep into every crack of the military barrack that is her new "home." Sumiko soon discovers that the camp is on an Indian reservation and that the Japanese are as unwanted there as they'd been at home. But then she meets a young Mohave boy who might just become her first real friend...if he can ever stop being angry about the fact that the internment camp is on his tribe's land. With searing insight and clarity, Newbery Medal-winning author Cynthia Kadohata explores an important and painful topic through the eyes of a young girl who yearns to belong. The Marines of Autumn

A Novel of the Korean War *Macmillan*

War has been the inspiration of such great novels as The Red Badge of Courage and A Farewell to Arms, and daring feats of courage and tragic mistakes have been the foundation for such classic works. Now, for the first time ever, the Korean War has a novel that captures that courage and sacrifice. When Captain Thomas Verity, USMC, is called back to action, he must leave his Georgetown home, career, and young daughter and rush to Korea to monitor Chinese radio transmissions. At first acting in an advisory role, he is abruptly thrust into MacArthur's last daring and disastrous foray-the Chosin Reservoir campaign-and then its desperate retreat. Time magazine at the time recounted the retreat this way: "The running fight of the Marines...was a battle unparalleled in U.S. military history. It had some aspects of Bataan, some of Anzio, some of Dunkirk, some of Valley Forge,

and some of 'the retreat of the 10,000' as described in Xenophon's Anabasis." The Marines of Autumn is a stunning, shattering novel of war illuminated only by courage, determination, and Marine Corps discipline. And by love: of soldier for soldier, of men and their women, and of a small girl in Georgetown, whose father promised she would dance with him on the bridges of Paris. A child Captain Tom Verity fears he may never see again. In The Marines of Autumn, James Brady captures our imagination and shocks us into a new understanding of war.

The Firekeeper's Son *Houghton Mifflin Harcourt*

In Korea in the early 1800s, news from the countryside reached the king by means of signal fires. On one mountaintop after another, a fire was lit when all was well. If the king did not see a fire, that meant trouble, and he would send out his army. Linda Sue Park's first picture book for Clarion is about Sang-hee, son of the village firekeeper. When his father is unable to light the fire one night, young Sang-hee must take his place. Sang-hee knows how important it is for the fire to be lit-but he wishes that he could see soldiers . . . just once. Mountains, firelight and shadow, and Sunhee's struggle with a hard choice are rendered in radiant paintings, which tell their own story of a turning point in a child's life.

Project Mulberry *HarperCollins*

Julia Song and her friend Patrick would love to win a blue ribbon, maybe even two, at the state fair. They’ve always done projects together, and they work well as a team. This time, though, they’re having trouble coming up with just the right project. Then Julia’s mother offers a suggestion: They can raise silkworms, as she did when she was a girl in Korea. Patrick thinks it’s a great idea. Of course there are obstacles—for example, where will they get mulberry leaves, the only thing silkworms eat?—but nothing they can’t handle. Julia isn’t so sure. The club where kids do their projects is all about traditional American stuff, and raising silkworms just doesn’t fit in. Moreover, the author, Ms. Park, seems determined to make Julia’s life as complicated as possible, no matter how hard Julia tries to talk her out of it. In this contemporary novel, Linda Sue Park delivers a funny, lively story that illuminates both the process of writing a novel and the meaning of growing up American.

Then she discovers that she is not living with family after all, that her "aunt" was a stranger who was paid money to take Valli off her own family's hands. She decides to leave Jharia ... and so begins a series of adventures that takes her to Kolkata, the city of the gods. It's not so bad. Valli finds that she really doesn't need much to live. Keeping Score *HarperCollins*

Both Maggie Fortini and her brother, Joey-Mick, were named for baseball great Joe DiMaggio. Unlike Joey-Mick, Maggie doesn’t play baseball—but at almost ten years old, she is a dyed-in-the-wool fan of the Brooklyn Dodgers. Maggie can recite all the players’ statistics and understands the subtleties of the game. Unfortunately, Jim Maine is a Giants fan, but it’s Jim who teaches Maggie the fine art of scoring a baseball game. Not only can she revisit every play of every inning, but by keeping score she feels she’s more than just a fan: she’s helping her team. Jim is drafted into the army and sent to Korea, and although Maggie writes to him often, his silence is just one of a string of disappointments—being a Brooklyn Dodgers fan in the early 1950s meant season after season of near misses and year after year of dashed hopes. But Maggie goes on trying to help the Dodgers, and when

she finds out that Jim needs help, too, she’s determined to provide it. Against a background of major league baseball and the Korean War on the home front, Maggie looks for, and finds, a way to make a difference. Even those readers who think they don’t care about baseball will be drawn into the world of the true and ardent fan. Linda Sue Park’s captivating story will, of course, delight those who are already keeping score.

When My Name Was Keoko

The Last Cherry Blossom *Simon and Schuster*

Following the seventieth anniversary of the atomic bombing of Hiroshima, this is a new, very personal story to join Sadako and the Thousand Paper Cranes. Yuriko was happy growing up in Hiroshima when it was just her and Papa. But her aunt Kimiko and her cousin Genji are living with them now, and the family is only getting bigger with talk of a double marriage! And while things are changing at home, the world beyond their doors is even more unpredictable. World War II is coming to an end, and since the Japanese newspapers don’t report lost battles, the Japanese people are not entirely certain of where Japan stands. Yuriko is used to the sirens and the air-raid drills, but things start to feel more real when the neighbors who have left to fight stop coming home. When the bombs hit Hiroshima, it’s through Yuriko’s twelve-year-old eyes that we witness the devastation and horror. This is a story that offers young readers insight into how children lived during the war, while also introducing them to Japanese culture. Based loosely on author Kathleen Burkinshaw’s mother’s firsthand experience surviving the atomic bombing of Hiroshima, The Last Cherry Blossom hopes to warn readers of the immense damage nuclear war can bring, while reminding them that the “enemy” in any war is often not so different from ourselves.
