Law And Politics In The

Legislation, as a source of law, is often highly political, and is the product of a process or the creation of officials often closely bound into party politics. Legislation is also one of the exclusive powers of the state. As such, legislation is plainly both practical and inevitably political; at the same time most understandings of the relationship between law and politics have been overwhelmingly theoretical.

Law in Politics, Politics in Law(Hart Studies in ...

The study of law and politics is a varied and multidisciplinary enterprise. From its starting point in political science of studying constitutional and administrative law, the field soon added courts, lawyers, and related legal actors to its purview. And the substantive scope of the field is broader now than it has ever been.
