Evidence of Things Unseen

A Novel *Simon and Schuster*

Falling in love during the Second World War, a soldier and a glassblower's daughter eventually have a son, who in adulthood finds his own love affair impacted by fallout of the atomic age. 35,000 first printing.

Evidence of Things Unseen

A Novel *Simon and Schuster*

This poetic novel, by the acclaimed author of *John Dollar*, describes America at the brink of the Atomic Age. In the years between the two world wars, the future held more promise than peril, but there was evidence of things unseen that would transfigure our unquestioned trust in a safe future. Fos has returned to Tennessee from the trenches of France. Intrigued with electricity, bioluminescence, and especially x-rays, he believes in science and the future of technology. On a trip to the Outer Banks to study the Perseid meteor shower, he falls in love with Opal, whose father is a glassblower who can spin color out of light. Fos brings his new wife back to Knoxville where he runs a photography studio with his former Army buddy Flash. A witty rogue and a staunch disbeliever in Prohibition, Flash brings tragedy to the couple when his appetite for pleasure runs up against both the law and the Ku Klux Klan. Fos and Opal are forced to move to Opal's mother's farm on the Clinch River, and soon they have a son, Lightfoot. But when the New Deal claims their farm for the TVA, Fos seeks work at the Oak Ridge

Laboratory -- Site X in the government's race to build the bomb. And it is there, when Opal falls ill with radiation poisoning, that Fos's great faith in science deserts him. Their lives have traveled with touching inevitability from their innocence and fascination with "things that glow" to the new world of manmade suns. Hypnotic and powerful, *Evidence of Things Unseen* constructs a heartbreaking arc through twentieth-century American life and belief.

John Dollar *Simon and Schuster*

Young widowed Charlotte Lewes leaves World War I England for Burma, falls in love with sailor John Dollar, and becomes marooned with him--and eight children--on a remote island

The Evidence of Things Not Seen

In Things Unseen

From acclaimed crime novelist Gar Anthony Haywood comes a riveting tale unlike any he's told before . . . Diane Edwards has spent the last eight months praying for a miracle after losing her son Adrian in a freak car accident at Seattle's Lakeridge Park. When she finds Adrian back in his bed one night-alive and well and oblivious to his death-it appears her prayers have been answered. But this isn't the kind of miracle Diane was expecting, because she soon learns Adrian is not the only one who's forgotten that fateful day in Lakeridge Park. The entire world has no memory of it, with the exception of Diane and three other people: Michael Edwards-Diane's estranged husband and Adrian's father. Laura Carrillo-Adrian's teacher, who loved him almost as

much as his parents did. Milton Weisman-The agnostic, sixty-eight-year-old widower and alcoholic who lost control of the car that killed Adrian in Lakeridge Park. Over the next six days, these four people must struggle to understand what Adrian's return to the living means, and why God Himself would choose them, and them alone, to play witness to it. In the end, all will learn that God's mercy knows no limits-but its permanence comes at a price.

Things Not Seen *Penguin*

Winner of American Library Association Schneider Family Book Award! Bobby Phillips is an average fifteen-year-old-boy. Until the morning he wakes up and can't see himself in the mirror. Not blind, not dreaming-Bobby is just plain invisible. There doesn't seem to be any rhyme or reason to Bobby's new condition; even his dad the physicist can't figure it out. For Bobby that means no school, no friends, no life. He's a missing person. Then he meets Alicia. She's blind, and Bobby can't resist talking to her, trusting her. But people are starting to wonder where Bobby is. Bobby knows that his invisibility could have dangerous consequences for his family and that time is running out. He has to find out how to be seen again-before it's too late.

The Resonance of Unseen Things

Poetics, Power, Captivity, and UFOs in the American Uncanny *University of Michigan Press*

The Resonance of Unseen Things offers an ethnographic meditation on the “uncanny” persistence and cultural freight of

conspiracy theory. The project is a reading of conspiracy theory as an index of a certain strain of late 20th-century American despondency and malaise, especially as understood by people experiencing downward social mobility. Written by a cultural anthropologist with a literary background, this deeply interdisciplinary book focuses on the enduring American preoccupation with captivity in a rapidly transforming world. Captivity is a trope that appears in both ordinary and fantastic iterations here, and Susan Lepselter shows how multiple troubled histories—of race, class, gender, and power—become compressed into stories of uncanny memory. “We really don’t have anything like this in terms of a focused, sympathetic, open-minded ethnographic study of UFO experiencers. . . . The author’s semiotic approach to the paranormal is immensely productive, positive, and, above all, resonant with what actually happens in history.” —Jeffrey J. Kripal, J. Newton Rayzor Professor of Religion, Rice University “Lepselter relates a weave of intimate alien sensibilities in out-of-the-way places which are surprisingly, profoundly, close to home. Readers can expect to share her experience of contact with complex logics of feeling, and to do so in a contemporary America they may have thought they understood.” —Debbora Battaglia, Mount Holyoke College “An original and beautifully written study of contemporary American cultural poetics. . . . The book convincingly brings into relief the anxieties of those at the margins of American economic and civic life, their perceptions of state power, and the narrative continuities that bond them to histories of violence and expansion in the American West.” —Deirdre de la Cruz, University of Michigan

A Hope in the Unseen

An American Odyssey from the Inner City to the Ivy League *Crown*

The inspiring, true coming-of-age story of a ferociously determined young man who, armed only with his intellect and his willpower, fights his way out of despair. In 1993, Cedric Jennings was a bright and ferociously determined honor student at Ballou, a high school in one of Washington D.C.'s most dangerous neighborhoods, where the dropout rate was well into double digits and just 80 students out of more than 1,350 boasted an average of B or better. At Ballou, Cedric had almost no friends. He ate lunch in a classroom most days, plowing through the extra work he asked for, knowing that he was really competing with kids from other, harder schools. Cedric Jennings's driving ambition—which was fully supported by his forceful mother—was to attend a top college. In September 1995, after years of near superhuman dedication, he realized that ambition when he began as a freshman at Brown University. But he didn't leave his struggles behind. He found himself unprepared for college: he struggled to master classwork and fit in with the white upper-class students. Having traveled too far to turn back, Cedric was left to rely on his intelligence and his determination to maintain hope in the unseen—a future of acceptance and reward. In this updated edition, *A Hope in the Unseen* chronicles Cedric's odyssey during his last two years of high school, follows him through his difficult first year at Brown, and tells the story of his subsequent successes in college and the world of work. Eye-opening, sometimes humorous, and often deeply moving, *A Hope*

in the Unseen weaves a crucial new thread into the rich and ongoing narrative of the American experience.

The Deep Places

A Memoir of Illness and Discovery *Convergent Books*

"In the summer of 2015, Ross Douthat was moving his family, with two young daughters and a pregnant wife, from Washington, D.C., to a sprawling farmhouse in a picturesque Connecticut town when he acquired a mysterious and devastating sickness. It left him sleepless, crippled, wracked with pain--a shell of himself. After months of seeing doctors and descending deeper into a physical inferno, he discovered that he had a disease which according to CDC definitions does not actually exist: the chronic form of Lyme disease, a hotly contested condition that devastates the lives of tens of thousands of people but has no official recognition--and no medically approved cure. From a rural dream house that now felt like a prison, Douthat's search for help takes him off the map of official medicine, into territory where cranks and conspiracies abound and patients are forced to take control of their own treatment and experiment on themselves. Slowly, against his instincts and assumptions, he realizes that many of the cranks and weirdos are right, that many supposed "hypochondriacs" are victims of an indifferent medical establishment, and that all kinds of unexpected experiences and revelations lurk beneath the surface of normal existence, in the places underneath"--

Evidence of Things Unseen

An Introduction to Fundamental Theology

As Pope St. John Paul II made clear in his apostolic exhortation *Catechesi Tradendae*, "The definitive aim of catechesis is to put people not only in touch but in communion, in intimacy, with Jesus Christ." The *Formed in Christ* series seeks to fulfill this call, fostering intimacy with Christ through its dynamic content. Each of the texts is complemented by a comprehensive workbook designed to provide instructors with test material and direction for enhancing students' grasp of the material. In *Evidence of Things Unseen*, the course of study will survey God's revelation of himself in Scripture and Tradition. It details what revelation is and how it came about in history, including how the Bible was put together. The book gives an overview of Scripture, focusing especially on the Gospels and their prominence in the life of the Church. .

Things Hoped for *Penguin*

Seventeen-year-old Gwen, who has been living with her grandfather in Manhattan while she attends music school, joins up with another music student to solve the mystery when her grandfather suddenly goes missing.

Evidence Not Seen

A Woman's Miraculous Faith in the Jungles of World War II *Zondervan*

This is the true story of a young American missionary woman courage and triumph of faith in the jungles of New Guinea and her four years in a notorious Japanese prison camp. Never to see her

husband again, she was forced to sign a confession to a crime she did not commit and face the executioner's sword, only to be miraculously spared.

Evidence Unseen

Exposing the Myth of Blind Faith

Evidence Unseen is the most accessible and careful though through response to most current attacks against the Christian worldview.

Something Unseen *Old Line Pub Llc*

Stephen Hill takes you on a spine tingling journey into the mysteries of the afterlife and what awaits us on the other side. A mysterious voice captured on the audio of his camcorder during a local cemetery visit causes him to question his perception of reality, religion and even his own sanity. These questions lead him back to the cemetery in an attempt to find answers to mysteries that he cannot comprehend. He soon realizes that something has followed him home from the graveyard, something that wants to make it's presence known. Yes, *Something Unseen*! This gripping tale of one man's journey into the other side will keep you on the edge of your seat. Stephen Hill went into the graveyard that day to do a little genealogical research. He walked away with more than he bargained for. What happens when we die? Is that it, or is there more? After reading this book you may never look at the afterlife the same again! This book may haunt you...so don't read it alone!

Seeing the Unseen *Simon and Schuster*

Spiritual warfare is real, and your faith is at stake. Based on Biblical principles, *Seeing the Unseen* helps you fight back against the enemy. In today's world, Satan seems to be everywhere, and he seems to have the advantage. But the enemy is not of this world, and the war is in the spiritual world. Satan is trying to attack you and destroy your faith, and the only way to defeat him is to fight back. In this newly revised and updated bestseller, Joe Beam reveal Satan's powerful weaponry—his lies, deceptions, and manipulations—and unmask his strategy to destroy your life and those you care for. This book will show you his plans and tactics, and teach you where he is likely to strike next and how to fight him. Based on a dedicated study of God's word, this book is filled with stories of tragedy and triumph and will give you the tools you need to defeat the enemy.

Evidence of Faith

An expanded study guide related to the documentary film, "Patterns of Evidence, The Exodus"

Faith in the Unseen *Partridge Singapore*

Faith in the Unseen is challenging (in the intellectual sense, not the stylistically abrasive sense) and fascinating. An intriguing contribution to the debate on science and religion, it provides a remarkable insight into scriptural close reading and the "rationalization" of religious faith.

The Evidence of Things Unseen**Faith Revealed in a Family, in a Community and a Nation** *WestBow Press*

This book describes the author's experiences in the evangelical community of faith over a span of 30 years that have led to his views on faith; how we experience it and the result of faith's work in our lives. "The Evidence of Things Unseen - Faith Revealed in a Family, a Community and a Nation" describes the evidence of faith first initiated in the family experience, then developed in the faith communities. The text illustrates how faith developed in evangelical communities will result in a certain view of our nation and its governance. This leads to the paradox that these views often conflict with biblical principles taught by those communities. The concluding section of this book suggests a reason for this conflict and a proposed remedy. The urgency of this publication is in its relevance to our current times with regard to how people of faith vote, how they react to political events and ultimately how they view the function of our government including the interpretation of our constitution. This book contains a unique message that is relevant for this unique time in our nation. Filled with touching anecdotes from the ministry, the classroom and the workplace it is a fast read that will move your heart and give you a new perspective on faith.

On the Threshold of the Unseen**An Examination of the Phenomena of Spiritualism and of the Evidence for Survival After Death****The Market as God** *Harvard University Press*

The Market has deified itself, according to Harvey Cox's brilliant exegesis. And all of the world's problems—widening inequality, a rapidly warming planet, the injustices of global poverty—are consequently harder to solve. Only by tracing how the Market reached its divine status can we hope to restore it to its proper place as servant of humanity.

The Power of the Unseen *Createspace Independent Publishing Platform*

When you finally depart this existence for what comes next, how would you like to be remembered? For Marcel Borgi, the answer was one that would change his life forever. Lacking the funds to leave a large inheritance or the free time to volunteer, Borgi soon became fixated on one particular goal: he would be the guy who spent every moment of every day happy—all the time and with no exceptions. In his dedicated pursuit of happiness, Borgi did more than discover the power of positivity. In fact, he discovered an entirely different world. Though technically the same as the world we are used to, this new world is experienced through a lens of knowledge and awareness, injecting every moment with newfound joy and meaning. With a foreword by Mars Venus Coaching global network CEO Richard Bernstein, *The Power of the Unseen* is your front-row seat to Borgi's life-altering journey. Learn to leave the "yester-world" of fear and stress behind for a new world of enlightenment, peace, and joy—and discover your own "today-world" along the way.

Pet *Knopf Books for Young Readers*

In a near-future society that claims to have gotten rid of all

monstrous people, a creature emerges from a painting seventeen-year-old Jam's mother created, a hunter from another world seeking a real-life monster.

The Shadow Catcher

A Novel *Simon and Schuster*

Inspired by the life of legendary photographer Edward Curtis, a series of tales about a photographer's developing relationship with the Native Americans he astonishes by showing them pictures of themselves is interspersed with parallel tales about an unsung soldier, a husband, and a father. Reprint. 40,000 first printing.

The Unseen *MIRA*

A Texas Ranger and a U.S. Marshal take on a mystery that stretches back centuries as they help the FBI's Krewe of Hunters stop a serial killer, in book 5 in the beloved suspense series, only from New York Times bestselling author Heather Graham. San Antonio, Texas, 1800s: In room 207 at the Longhorn Saloon, in the long shadow of the Alamo, a woman was brutally murdered. Her killer was never found. One year ago, in that same historic room, another woman vanished without a trace. Now, San Antonio has become a dumping ground for battered bodies. When Texas Ranger Logan Raintree is approached to lead a group of elite paranormal investigators working the case, he accepts the challenge. And with it, his powerful ability to commune with the dead. U.S. Marshal Kelsey O'Brien has been waiting all her life to work with someone who can understand her

ability to "see" the past. Now she has her chance. Together, Kelsey and Logan follow their instincts to the Alamo and to the newly reopened Longhorn, which once tempted heroes with drink, cards and women. If the spirits of those long-dead Texans are really appearing to the victims before their deaths, only Kelsey and Logan have the skills to find out why....

Faith Adventures

Stories of Learning with an Unseen God *Createspace Independent Publishing Platform*

Faith Adventures is a book of essays and scripture studies centered around the allusive idea of faith. It is full of real-life stories meant to encourage your courage, dwindle your fear, and cultivate your faith in a faithful God. Local missions, foreign mission, adoption, social anxiety, spiritual growth, loss, friendship, and leadership are just some of the topics covered in this inspiring book. Faith Adventures reminds us that childlike faith isn't shallow. So let this book spur you into a deeper faith, that remains simple and pure. This eBook also includes a guide for group study that could be completed in 5 or 9 weeks. Table of Contents: FAITH ADVENTURES THE YURT LUCY SEEDS LIVER TRANSPLANTS BUILDING BIBLE CLUB CHILDLIKE CHAD THE CALL MORE TRIPS MEASURES ADOPTION TARGET FRIEND ETHIOPIA GREAT COMMISSION SOCIAL ANXIETY CAMP & CAFE' COMMUNITY & ANXIETY GROWTH & HUMILITY MOVING & MARRIAGE HOME SCHOOL SET THE TABLE MONEY AND TALENTS BIKES MISSION STORIES ABRAHAM TESTIMONY DAD HEROES LEADING SPEAKING CONFERENCE ALIVE LOOKING BACK GUIDE FOR GROUP STUDY

MIX TAPE FOR MY READERS APPENDIX A NOTES ACKNOWLEDGEMENTS "Have you ever felt you had to hide the true you, the anxious, hurting and fearful you, even from God? Jennifer L. Lane's Faith Adventures shows us in her vulnerability before both God and her readers that: 'Our God isn't shallow. Our God doesn't call us shallow, and He knows that sometimes with a phone call, a run stoplight, a routine blood test, or a sonogram, we can be thrown into the deep end.' Through both her experiences and Scriptures, Jennifer reassures us that: 'He is there in the deep end with us.' She shows us that it is precisely in the moments we choose to face our humanity - our anxiety, hurt and fear - leaning into the arms of our mighty God to hold, soothe and protect us, that our greatest faith adventures are birthed. Let Jennifer inspire, challenge and encourage you to step into the exciting Faith Adventures awaiting you. Pick up a copy of her book or gift it to someone you would love to bless this Christmas. You won't be disappointed." - Anna Smit, Christian blogger sharing her journey into God's love at www.joyofthespiritwithin.wordpress.com

The Christ Effect

Calling the Unseen as Though it Were Seen

The Christ Effect is the first phase in the mystery of the gospels: That a worldly man could call what is unseen as though it were seen, and see it come to pass. Thereby, he would transform the world of physical limitation, activating the substance of things hoped for, calling forth the evidence of things unseen. Christ is the worldly man consumed by an ecstatic faith. If in Christ's

feeling, he desires what to the worldly man seems impossible, he will make the impossible possible. He would cause his world to conform to the effect he wished to experience. This is the work of God: To believe in the one whom He sent [John 6:29]. -The Voice Crying in the Wilderness

Agnostic

A Spirited Manifesto *Penguin*

"A widely admired writer on religion celebrates agnosticism as the most vibrant, engaging--and ultimately the most honest--stance toward the mysteries of existence." -- Amazon.com.

The Unseen Realm

Recovering the Supernatural Worldview of the Bible *Lexham Press*

In *The Unseen Realm*, Dr. Michael Heiser examines the ancient context of Scripture, explaining how its supernatural worldview can help us grow in our understanding of God. He illuminates intriguing and amazing passages of the Bible that have been hiding in plain sight. You'll find yourself engaged in an enthusiastic pursuit of the truth, resulting in a new appreciation for God's Word. Why wasn't Eve surprised when the serpent spoke to her? How did descendants of the Nephilim survive the flood? Why did Jacob fuse Yahweh and his Angel together in his prayer? Who are the assembly of divine beings that God presides over? In what way do those beings participate in God's decisions? Why do Peter and Jude promote belief in imprisoned spirits? Why

does Paul describe evil spirits in terms of geographical rulership? Who are the "glorious ones" that even angels dare not rebuke? After reading this book, you may never read your Bible the same way again. Endorsements "There is a world referred to in the Scripture that is quite unseen, but also quite present and active. Michael Heiser's *The Unseen Realm* seeks to unmask this world. Heiser shows how important it is to understand this world and appreciate how its contribution helps to make sense of Scripture. The book is clear and well done, treating many ideas and themes that often go unseen themselves. With this book, such themes will no longer be neglected, so read it and discover a new realm for reflection about what Scripture teaches." --Darrell L. Bock, Executive Director for Cultural Engagement, Senior Research Professor of New Testament Studies, Howard G. Hendricks Center for Christian Leadership and Cultural Engagement "'How was it possible that I had never seen that before?' Dr. Heiser's survey of the complex reality of the supernatural world as the Scriptures portray it covers a subject that is strangely sidestepped. No one is going to agree with everything in his book, but the subject deserves careful study, and so does this book." --John Goldingay, David Allan Hubbard Professor of Old Testament, School of Theology, Fuller Theological Seminary "This is a 'big' book in the best sense of the term. It is big in its scope and in its depth of analysis. Michael Heiser is a scholar who knows Scripture intimately in its ancient cultural context. All--scholars, clergy, and laypeople--who read this profound and accessible book will grow in their understanding of both the Old and New Testaments, particularly as their eyes are opened to the Bible's 'unseen world.'" --Tremper Longman III, Robert H. Gundry Professor of

Biblical Studies, Westmont College

Seeing the Unseen

Cultivate a Faith That Unveils the Hidden Presence of God

NavPress Publishing Group

Connection and communication are vital in relationships, but what about in your relationship with God? Is it more of a duty than a delight? Free leader's guide is available for download.

The Unseen World: A Novel *W. W. Norton & Company*

The moving story of a daughter's quest to discover the truth about her beloved father's hidden past. Ada Sibelius is raised by David, her brilliant, eccentric, socially inept single father, who directs a computer science lab in 1980s-era Boston. Home-schooled, Ada accompanies David to work every day; by twelve, she is a painfully shy prodigy. The lab begins to gain acclaim at the same time that David's mysterious history comes into question. When his mind begins to falter, leaving Ada virtually an orphan, she is taken in by one of David's colleagues. Soon she embarks on a mission to uncover her father's secrets: a process that carries her from childhood to adulthood. What Ada discovers on her journey into a virtual universe will keep the reader riveted until *The Unseen World's* heart-stopping, fascinating conclusion.

Known and Strange Things

Essays *Random House*

A blazingly intelligent first book of essays from the award-winning author of *Open City* and *Every Day Is for the Thief* **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY** *Time* • *The Guardian* • *Harper's Bazaar* • *San Francisco Chronicle* • *The Atlantic* • *Financial Times* • *Kirkus* Finalist for the PEN/Diamonstein-Spielvogel Award for the Art of the Essay and PEN/Jean Stein Book Award With this collection of more than fifty pieces on politics, photography, travel, history, and literature, Teju Cole solidifies his place as one of today's most powerful and original voices. On page after page, deploying prose dense with beauty and ideas, he finds fresh and potent ways to interpret art, people, and historical moments, taking in subjects from Virginia Woolf, Shakespeare, and W. G. Sebald to Instagram, Barack Obama, and Boko Haram. Cole brings us new considerations of James Baldwin in the age of Black Lives Matter; the African American photographer Roy DeCarava, who, forced to shoot with film calibrated exclusively for white skin tones, found his way to a startling and true depiction of black subjects; and (in an essay that inspired both praise and pushback when it first appeared) the White Savior Industrial Complex, the system by which African nations are sentimentally aided by an America "developed on pillage." Persuasive and provocative, erudite yet accessible, *Known and Strange Things* is an opportunity to live within Teju Cole's wide-ranging enthusiasms, curiosities, and passions, and a chance to see the world in surprising and affecting new frames. Praise for *Known and Strange Things* "On every level of engagement and critique, *Known and Strange Things* is an essential and scintillating journey."—Claudia Rankine, *The New*

York Times Book Review (Editors' Choice) "A heady mix of wit, nostalgia, pathos, and a genuine desire to untangle the world, or at the least, to bask in its unending riddles."—The Atlantic "Brilliant . . . [Known and Strange Things] reveals Cole's extraordinary talent and his capacious mind."—Time "[Known and Strange Things] showcases the magnificent breadth of subjects [Cole] is able to plumb with . . . passion and eloquence."—Harper's Bazaar "[Cole is] one of the most vibrant voices in contemporary writing."—LA Times "Cole has fulfilled the dazzling promise of his novels *Every Day Is for the Thief* and *Open City*. He ranges over his interests with voracious keenness, laser-sharp prose, an open heart and a clear eye."—The Guardian "Remarkably probing essays . . . Cole is one of only a very few lavishing his focused attention on that most approachable (and perhaps therefore most overlooked) art form, photography."—Chicago Tribune "There's almost no subject Cole can't come at from a startling angle. . . . His [is a] prickly, eclectic, roaming mind."—The Boston Globe "[Cole] brings a subtle, layered perspective to all he encounters."—Vanity Fair "In page after page, Cole upholds the sterling virtue of good writing combined with emotional and intellectual engagement."—The New Statesman "[Known and Strange Things possesses] a passion for justice, a deep sympathy for the poor and the powerless around the world, and a fiery moral outrage."—Poets and Writers

Five Tuesdays in Winter *Grove Press*

"Five Tuesdays in Winter moved me, inspired me, thrilled me. It filled up every chamber of my heart. I loved this book." —Ann

Patchett By the award-winning, New York Times bestselling author of *Writers & Lovers*, Lily King's first-ever collection of exceptional and innovative short stories *With Writers & Lovers* and *Euphoria*, Lily King's books catapulted onto bestseller and best-of-the-year lists across the country and established her as one of our most "brilliant" (New York Times Book Review), "wildly talented" (Chicago Tribune), and beloved authors in contemporary fiction. Now, for the first time ever, King collects ten of her finest short stories—half published in leading literary magazines and half brand new—opening fresh realms of discovery for avid and new readers alike. Told in the intimate voices of unique and endearing characters of all ages, these tales explore desire and heartache, loss and discovery, moments of jolting violence and the inexorable tug toward love at all costs. A bookseller's unspoken love for his employee rises to the surface, a neglected teenage boy finds much-needed nurturing from an unlikely pair of college students hired to housesit, a girl's loss of innocence at the hands of her employer's son becomes a catalyst for strength and confidence, and a proud nonagenarian rages helplessly in his granddaughter's hospital room. Romantic, hopeful, brutally raw, and unsparingly honest, some even slipping into the surreal, these stories are, above all, about King's enduring subject of love. Lily King's literary mastery, her spare and stunning prose, and her gift for creating lasting and treasured characters are on full display in this curated selection of short fiction. *Five Tuesdays in Winter* showcases an exhilarating new form for this extraordinarily gifted author writing at the height of her career.

Howards End *Graphic Arts Books*

Howards End (1910) is a novel by English author E.M. Forster. Inspired by his interactions with the famous Bloomsbury Group of writers and intellectuals, as well as by his personal experience growing up with a large inheritance on the family estate of Rooks Nest, Howards End has been recognized as one of the finest novels ever written in English. The story loosely follows the lives of three families: the Wilcoxes, whose wealth derives from the exploitation of British colonies; the Basts, an impoverished couple; and the Schlegels, half-German sisters who find themselves set between the vastly opposing classes of their peers. Much of the novel is set on the Wilcox estate, known as Howards End, a symbol of fortune and a reminder of the generational implications of hoarded wealth. When Ruth Wilcox moves to London, she befriends her neighbor Margaret Schlegel. On her deathbed, and in secret, Ruth leaves a note instructing that Howards End be left to Margaret in her will, bypassing her family entirely. When her son Henry, a widower, finds out, he destroys the note, ensuring that the estate remains within the family. Years later, when the two meet again, Henry proposes to Margaret, bringing the Wilcox and Schlegel families closer together. But when her sister Helen brings the struggling Leonard and Jacky Bast to a party at Howards End, Henry, who recognizes Jacky as a former mistress, believes he is being set up, and breaks off the engagement. Although they reconcile, Margaret is driven apart from her sisters, who resent the Wilcoxes and distrust Henry. But when Helen becomes pregnant by Leonard, and a tragic event destroys several lives, the families are brought together once more, and both Margaret and Henry are forced to

choose between the fortune they stand to gain and the love they stand to lose. E.M. Forster's Howards End is a masterpiece, a brilliant study of family, wealth, romance, and secrecy that captures the depravity of the English aristocracy without losing what sets it apart—an undeterred sense of humanity. With a beautifully designed cover and professionally typeset manuscript, this edition of E.M. Forster's Howards End is a classic of English literature reimagined for modern readers.

The Unseen *Orion*

From the author of the acclaimed debut THE LEGACY comes a compelling tale of love, deception and illusion. England, 1911. When a free-spirited young woman arrives in a sleepy Berkshire village to work as a maid in the household of The Reverend and Mrs Canning, she sets in motion a chain of events which changes all their lives. For Cat has a past - a past her new mistress is willing to overlook, but will never understand . . . This is not all Hester Canning has to cope with. When her husband invites a young man into their home, he brings with him a dangerous obsession . . . During the long, oppressive summer, the rectory becomes charged with ambition, love and jealousy - with the most devastating consequences.

50 Women Every Christian Should Know**Learning from Heroines of the Faith** *Baker Books*

Throughout history, countless women have boldly stepped out in faith and courage, leaving their indelible mark on those around them and on the kingdom of God. In lively prose Michelle

DeRusha tells their stories, bringing into focus fifty incredible heroines of the faith. From Catherine of Siena, Teresa of Avila, and Anne Hutchison to Susanna Wesley, Harriet Tubman, and Corrie ten Boom, women both famous and admirable live again under DeRusha's expert pen. These engaging narratives are a potent reminder to readers that we are not alone, the battles we face today are not new, and God is always with us in the midst of the struggle.

Holy Bible

A traditional favorite, the NIV Children's Bible is a full-text Bible for kids with color illustrations of key Bible stories.

The Book Thief *Knopf Books for Young Readers*

#1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist—books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. “The kind of book that can be

life-changing.” —The New York Times “Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank.” —USA Today DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.

Invisible Influence

The Hidden Forces that Shape Behavior *Simon and Schuster*

Explores the subtle, secret influences that affect the decisions we make—from what we buy, to the careers we choose, to what we eat.

Hope in the Dark

Untold Histories, Wild Possibilities *Haymarket Books*

“[A] landmark book . . . Solnit illustrates how the uprisings that begin on the streets can upend the status quo and topple authoritarian regimes” (Vice). A book as powerful and influential as Rebecca Solnit's *Men Explain Things to Me*, her *Hope in the Dark* was written to counter the despair of activists at a moment when they were focused on their losses and had turned their back to the victories behind them—and the unimaginable changes soon to come. In it, she makes a radical case for hope as a commitment to act in a world whose future remains uncertain and unknowable. Drawing on her decades of activism and a wide reading of environmental, cultural, and political history, Solnit argues that radicals have a long, neglected history of transformative victories, that the positive consequences of our acts are not always immediately seen, directly knowable, or even

measurable, and that pessimism and despair rest on an unwarranted confidence about what is going to happen next. Now, with a moving new introduction explaining how the book came about and a new afterword that helps teach us how to hope and act in our unnerving world, she brings a new illumination to the darkness of our times in an unforgettable new edition of this classic book. “One of the best books of the 21st century.” —The Guardian “No writer has better understood the mix of fear and possibility, peril and exuberance that’s marked this new millennium.” —Bill McKibben, New York Times–bestselling author of *Falter* “An elegant reminder that activist victories are easily forgotten, and that they often come in extremely unexpected, roundabout ways.” —The New Yorker

Dark Archives

A Librarian's Investigation into the Science and History of Books Bound in Human Skin *Farrar, Straus and Giroux*

On bookshelves around the world, surrounded by ordinary books

bound in paper and leather, rest other volumes of a distinctly strange and grisly sort: those bound in human skin. Would you know one if you held it in your hand? In *Dark Archives*, Megan Rosenbloom seeks out the historic and scientific truths behind anthropodermic bibliopeggy—the practice of binding books in this most intimate covering. Dozens of such books live on in the world’s most famous libraries and museums. *Dark Archives* exhumes their origins and brings to life the doctors, murderers, and indigents whose lives are sewn together in this disquieting collection. Along the way, Rosenbloom tells the story of how her team of scientists, curators, and librarians test rumored anthropodermic books, untangling the myths around their creation and reckoning with the ethics of their custodianship. A librarian and journalist, Rosenbloom is a member of The Order of the Good Death and a cofounder of their Death Salon, a community that encourages conversations, scholarship, and art about mortality and mourning. In *Dark Archives*—captivating and macabre in all the right ways—she has crafted a narrative that is equal parts detective work, academic intrigue, history, and medical curiosity: a book as rare and thrilling as its subject.
