Many people feel that FIFA 12's assisted controls restrict their play. Assisted controls limit your play and your pass is only as good as the pass receiver's run. The beauty of manual controls is that you have full control over where you play the ball. Your passing's completely independent from your team-mates movement and you can play the ball into space. Admittedly, if you've never used manual controls before it's a pretty steep learning curve but a very worthwhile one.
