Horses cannot travel in the usual planes that you and I would travel in - they have to travel in cargo planes, and not all cargo planes can carry horses - so moving from A to B is not as simple as it is for humans. Each country has a specific set of rules for importing and exporting horses, and not all countries accept horses from other countries, so sometimes movement might be via another country, where rules have to be complied with before horses can move on to the next country.
