The Waste Land achieves a synthesis between the free-floating observations of Prufrock and the anguished, surreal pretensions of Poems 1920. The philosophical/intellectual praxis of Eliot’s modern epic is less gratuitous, and more pragmatic, than what he propounded in his previous collection—still difficult and harsh, certainly, but in a way that lent itself (at least for Eliot’s initiates, his devotees) to solving, working through.

Loosely based on the Arthurian legend of the Holy Grail and the Fisher King, “The Waste Land”, which first appeared in 1922, is a landmark work of Modernist poetry. Containing hundreds of allusions and quotations from other works, “The Waste Land” is marked by a disjointed structure which moves between voices and imagery without a clear delineation for the reader, a hallmark of Modernist literature.

A telling indication of the force of Verdenal's impact, and a tribute to the relationship they shared, is the fact that Eliot chose to dedicate his first volume of poetry, Prufrock and other Observations (1917), to Jean Verdenal, giving only his names and dates, 1889-1915, but not the clarifier "mort aux Dardanelles" that would identify him as a victim of war, which Eliot added only in 1925. At the very time Eliot sought to impress on his parents the value of his career, he paid tribute not ...
