2) During the upcoming political season when we'll elect a president, a governor, congressmen, and local officials, we can use family as a filter for everything candidates say and elect those who will do the most, directly and indirectly, to protect our families, to assist us in educating, training, and building character in our children, and who publicly recognize and support the importance of parenting.

Politics and the Family: The Basic Unit of Society ...

To put it differently: politics, like life, is complex. Love, to be sure, is a powerful force. You could say, “All this earth is love,” and that would be true in a general if not in an exact sense. But, without wanting to be too grim and Manichaeian about things, who holds power also matters enormously, and you have to understand where it lies, who holds it, and how it can be redistributed more equally. After all power can be used to oppose love.

The politics of love and power - The Good Society

The British political system is a 'constitutional monarchy': the supreme power held by the monarch is largely ceremonial and formal, with actual political power exercised by others. Background. Queen Elizabeth II can trace her lineage back to King Egbert, who united England in 829.
