Henry Charles Lea's comprehensive three-volume history of the medieval Inquisition, first published in 1888, was firmly based on primary sources. Lea was convinced that the Inquisition was not arbitrarily devised and implemented but was an inevitable consequence of forces that were dominant in thirteenth-century Christian society.

A History of the Inquisition of the Middle Ages

The Inquisition started out as a way to fight against evil, but very quickly became another tool to control people. The Power of the Church: The Catholic church was the supreme power during most of the medieval period. Some of the ways the church exercised its power includes the flow of wealth, the use of sacraments to control people and their lives, the use of Church councils, the propaganda value of the religious beggars (friars), and finally, the horrible cruelty of the Inquisition and ...

The Medieval Inquisition was a series of Inquisitions from around 1184, including the Episcopal Inquisition and later the Papal

Inquisition. The Medieval Inquisition was established in response to movements considered apostate or heretical to Christianity, in particular Catharism and Waldensians in Southern France and Northern Italy. These were the first inquisition movements of many that would follow. The Cathars were first noted in the 1140s in Southern France, and the Waldensians around 1170
