In The Lion's Shadow.
 After the invasion of
 France in 1940, a
 junior Iranian diplomat,
 the aristocratic Abdol-
 Hossein Sardari, found
 himself in charge of
 Iran's legation in Paris,
 and set about
 cultivating German and
 Vichy officials in order
 to protect the Iranian

Jewish community, their friends and associates. He met the Nazi racial purity laws head-on by resorting to his legal background and diplomatic prowess.

In the Lion's Shadow demonstrates the lengths to which many,

including non-Jewish Iranians and even some German and Vichy officials went to minimize the impact of the anti-Jewish laws to save thousands. Using oral accounts from the families of the survivors, captured German documents stored at the United States National Archives, and other written accounts, the book examines many facets of this complex historical period.
