Calling in the Soul

Gender and the Cycle of Life in a Hmong Village *University of Washington Press*

“Calling in the Soul” (Hu Plig) is the chant the Hmong use to guide the soul of a newborn baby into its body on the third day after birth. Based on extensive original research conducted in the late 1980s in a village in northern Thailand, this ethnographic study examines Hmong cosmological beliefs about the cycle of life as expressed in practices surrounding birth, marriage, and death and considers the gender relationships evident in these practices. The Hmong (or Miao, as they are called in China, and Meo, in Thailand) have lived on the fringes of powerful Southeast Asian states for centuries. Their social framework is distinctly patrilineal, granting little direct power to women. Yet within the limits of that structure, Hmong women wield considerable influence in the spiritually critical realms of birth and death. Calling in the Soul will be of interest to sociocultural anthropologists, medical anthropologists, Southeast Asianists, and gender specialists. Replaces ISBN 9780295800424

A Calling in Question

A Memoir *iUniverse*

From the moment of his birth in 1937, author Peter Walther was absorbed into the culture of the Catholic Church. Later, as an eleven-year-old boy, he believed he was called by God to be a missionary priest. Seventeen years later, he found himselfan ordained Catholic priestjourneying to a mission station in Sabah, North Borneo. A Calling in Question tells Walthers story of his struggle to free himself from the tangled web of a Catholic upbringing.

This memoir presents a collage of several stories, weaving in and out like patterns in a fabric. It is the story of a small boy, growing up in the midst of a world war. It is the story of a family caught in the disintegration of the British class system. It is the story of a Catholic Church, toying with the challenge of change and failing to accept that challenge. It is the story of his experiences deep in the Borneo rain forest, where he initiates a project to teach desperately needed vocational skills. It is a story of his burgeoning relationship with a local health worker that forces Walther to finally confront his ambivalence about being a priest. Most of all, however, A Calling in Question narrates the story of a young man struggling to be authentic while breaking from the embrace of a Catholic culture that had become a substitute for family.

Too often divorced, discontent with life's compromises and in a house he hates, this lifelong schemer and eternal romantic would like out of his present circumstances and into the American dream. But when the twin calamities of the Great Recession and a cancer scare come along to compound his troubles, his dreams dwindle further, and an infinite past full of forking paths quickly tapers to a black dot. Then, against all odds, something goes right for a change: Charlie is granted a second act. With help from his storyteller son, he surveys the facts of his life and finds his true calling where he least expects it—in a sacrifice that redounds with selflessness and love—at last becoming the man his son always knew he could be. If you are seeking to more fully engage your heart and soul with a new romantic partner or in your current love relationship, this is the book for you. In this practical guide and spiritual memoir, Robin White Star reveals the intricacies and richness of the shamanic calling ceremony: the power of gratitude that fuels the miraculous calling for your soul companion; making heart requests that are specific without being limiting; sifting through and releasing dozens of beliefs that have obscured your inner truths; reawakening your innate ability to stand in your truth with wholehearted kindness to yourself and your loved ones; and opening your heart to the infinite possibilities of mutual trust, intimacy, love and joy in relationship. The calling ceremony awakens long dormant instincts for sacred relationship, inviting you to safely traverse the inner landscape of your soul consciousness in order to release the fears and limitations that have hindered your ability to manifest your heart's desire for an intimate, authentic, loving relationship with your Soul Companion - whether with a new or existing partner. This calling from the heart starts with your own healing and purification, and leads you through personal empowerment and spiritual understanding until you are crystal clear about who you perceive yourself to be and who you are calling into your life. Upon the culmination of your personal journey, you are ready to sit with the Fire to call your Beloved to you, connecting energetically heart to heart so that you can meet in the physical with grace and ease. White Star outlines the ceremonies and indigenous wisdom she learned through oral tradition as an apprentice for over 17 years to a healer and medicine man of Cherokee descent in the Blue Ridge Mountains of Western North Carolina. Not only does she share these native teachings and traditions in her own words with clarity and simplicity, she also relates her personal journey of calling her Soul Companion into her life using candor and humor. Because the Calling Ceremony is a life-changing and love-enhancing spiritual adventure, White Star has made this sacred Calling Ceremony available to all who are seeking a higher vibration in their relationship. Consciously inviting joy and healing into every aspect of your life and intentionally aligning your heart's desire with the web of co-creation and interconnectedness that has always been present in your life are the true powers of the Calling Ceremony. Calling in Black
Arresting and beautiful..."In Nicholle Ramsey's first book, calling in black, we hear a fresh, young voice, informed by Spoken Word luminaries such as Danez Smith, and Mai'a Williams but there are also echoes of poets a generation back, like Maya Angelou, Sonia Sanchez, Lucille Clifton, Amiri Baraka, Audre Lorde, Nikki Giovanni, Diane DiPrima and Adrienne Rich. There is strength in these poems, there is intimacy; there is self-confidence, there is vulnerability; there is innocence, there is maturity. The poems are honest, funny, insightful, intelligent, eloquent. When you hear them performed, they ring with life-they shine. This is true of the poems on the page, also. The poet is tough on us, while being generous."-Ken McCullough, former Poet Laureate of Winona, Minnesota Author of "Broken Gates and Dark Stars"

The transition from President Donald J. Trump to President Joseph R. Biden Jr. stands as one of the most dangerous periods in American history. But as # 1 internationally bestselling author Bob Woodward and acclaimed reporter Robert Costa reveal for the first time, it was far more than just a domestic political crisis. Woodward and Costa interviewed more than 200 people at the center of the turmoil, resulting in more than 6,000 pages of transcripts—and a spellbinding and definitive portrait of a nation on the brink. This classic study of Washington takes readers deep inside the Trump White House, the Biden White House, the 2020 campaign, and the Pentagon and Congress, with vivid, eyewitness accounts of what really happened. Peril is supplemented throughout with never-before-seen material from secret orders, transcripts of confidential calls, diaries, emails, meeting notes and other personal and government records, making for an unparalleled history. It is also the first inside look at Biden’s presidency as he faces the challenges of a lifetime: the continuing deadly pandemic and millions of Americans facing soul-crushing economic pain, all the while navigating a bitter and disabling partisan divide, a world rife with threats, and the hovering, dark shadow of the former president. “We have much to do in this winter of peril,” Biden declared at his inauguration, an event marked by a nerve-wracking security alert and the threat of domestic terrorism. Peril is the extraordinary story of the end of one presidency and the beginning of another, and represents the culmination of Bob Woodward’s news-making trilogy on the Trump presidency, along with Fear and Rage. And it is the beginning of a collaboration with fellow Washington Post reporter Robert Costa that will remind readers of Woodward’s coverage, with Carl Bernstein, of President Richard M. Nixon’s final days.

And yet we played on, because we had hope that we might be the lucky ones." In the early 1900s, teenaged Sunja, the adored daughter of a crippled fisherman, falls for a wealthy stranger at the seashore near her home in Korea. He promises her the world, but when she discovers she is pregnant--and that her lover is married--she refuses to be bought. Instead, she accepts an offer of marriage from a gentle, sickly minister passing through on his way to Japan. But her decision to abandon her home, and to reject her son's powerful father, sets off a dramatic saga that will echo down through the generations. Richly told and profoundly moving, Pachinko is a story of love, sacrifice, ambition, and loyalty. The Correspondents

Six Women Writers on the Front Lines of World War II *Doubleday*

The riveting, untold history of a group of heroic women reporters who revolutionized the narrative of World War II—from Martha Gellhorn, who out-scooped her husband, Ernest Hemingway, to Lee Miller, a Vogue cover model turned war correspondent. "Thrilling from the first page to the last." —Mary Gabriel, author of Ninth Street Women "Just as women are so often written out of war, so it seems are the female correspondents. Mackrell corrects this omission admirably with stories of six of the best...Mackrell has done us all a great service by assembling their own fascinating stories." —New York Times Book Review On the front lines of the Second World War, a contingent of female journalists were bravely waging their own battle. Barred from combat zones and faced with entrenched prejudice and bureaucratic restrictions, these women were forced to fight for the right to work on equal terms with men. The Correspondents follows six remarkable women as their lives and careers intertwined: Martha Gellhorn, who got the scoop on Ernest Hemingway on D-Day by traveling to Normandy as a stowaway on a Red Cross ship; Lee Miller, who went from being a Vogue cover model to the magazine’s official war correspondent; Sigrid Schultz, who hid her Jewish identity and risked her life by reporting on the Nazi regime; Virginia Cowles, a “society girl columnist” turned combat reporter; Clare Hollingworth, the first English journalist to break the news of World War II; and Helen Kirkpatrick, the first woman to report from an Allied war zone with equal privileges to men. From chasing down sources and narrowly dodging gunfire to conducting tumultuous love affairs and socializing with luminaries like Eleanor Roosevelt, Picasso, and Man Ray, these six women are captured in all their complexity. With her gripping, intimate, and nuanced portrait, Judith Mackrell celebrates these courageous reporters who risked their lives for the scoop.

All We Can Save

Truth, Courage, and Solutions for the Climate Crisis *One World*

NATIONAL BESTSELLER • Provocative and illuminating essays from women at the forefront of the climate movement who are harnessing truth, courage, and solutions to lead humanity forward. “A powerful read that fills one with, dare I say . . . hope?”—The New York Times NAMED ONE OF THE

BEST BOOKS OF THE YEAR BY SMITHSONIAN MAGAZINE There is a renaissance blooming in the climate movement: leadership that is more characteristically feminine and more faithfully feminist, rooted in compassion, connection, creativity, and collaboration. While it’s clear that women and girls are vital voices and agents of change for this planet, they are too often missing from the proverbial table. More than a problem of bias, it’s a dynamic that sets us up for failure. To change everything, we need everyone. All We Can Save illuminates the expertise and insights of dozens of diverse women leading on climate in the United States—scientists, journalists, farmers, lawyers, teachers, activists, innovators, wonks, and designers, across generations, geographies, and race—and aims to advance a more representative, nuanced, and solution-oriented public conversation on the climate crisis. These women offer a spectrum of ideas and insights for how we can rapidly, radically reshape society. Intermixing essays with poetry and art, this book is both a balm and a guide for knowing and holding what has been done to the world, while bolstering our resolve never to give up on one another or our collective future. We must summon truth, courage, and solutions to turn away from the brink and toward life-giving possibility. Curated by two climate leaders, the book is a collection and celebration of visionaries who are leading us on a path toward all we can save. Know Your Why

Finding and Fulfilling Your Calling in Life *Thomas Nelson*

“Challenging, inspiring and practical.” Bear Grylls “I can’t think of anyone more qualified to write about the significance of knowing your purpose than my friend Ken Costa... His new book, Know Your Why, is absolutely foundational to living a purpose driven life.” Rick Warren “Among the crush and the rush of life, there's no better guide in the pursuit of getting it right than my friend Ken Costa... I highly recommend Know Your Why, and am confident you will see more clearly and live more purposefully after absorbing the wisdom in its pages.” Louie Giglio, Pastor, Passion City Church, Passion Conferences “This is an important and timely book. In a world of seemingly endless options, discerning the voice of God can be an increasingly difficult task. Ken draws on decades of experience to help Christians cut through the confusion and distractions and live lives in tune with God.” Andy Stanley, Senior Pastor, North Point Ministries “There are few people on this planet that I find more fascinating than Ken Costa. His capacity for business is only outweighed by his affection for the local church; and he has beautifully modelled to a generation what it means to live out your calling and build the Kingdom.” Brian Houston, Global Founder and Senior Pastor of Hillsong Church Are you working for cash, a career, a cause—or a calling? “Why do you do what you do?” People work for a variety of reasons. For many, the primary purpose of their work is cash. Their principal motivation is the paycheck that funds their everyday needs. Their work is a means to an end. Others are motivated by ambitions for a career, to move up the professional ladder and expand their experience, becoming more skilled in a particular area. Still others work for a cause, believing in the wider purpose of their work, attempting to make a difference in the world—to leave a mark in some way. All of these are legitimate motivations. However, missing from all three is any sense of the value of work itself. The focus is on the output of the workplace, rather than valuing the input. What we need is calling. Those who see their work as a calling experience a rich integration in their lives. They sense a purpose, a direction to their activities. Work has intrinsic meaning, rather than being simply a means to an end. In many ways this is precisely what the Spirit of God does in our lives. When we are in the flow of the Spirit, we are cooperating fully in our God-given callings. When people embrace their callings, they love their work, can manage inevitable tensions that arise, and are welcomed by their colleagues, who sense that there is something beyond the cash or career objectives. But how do we get there? Know Your Why is written with one objective: to help you find your life’s calling so that you can be more satisfied, fulfilled, and happier at work. “You did not choose me, but I chose you and appointed you so that you might go and bear fruit—fruit that will last.” —John 15:16 NIV

Work as a Calling

From Meaningful Work to Good Work *Routledge*
This book provides a novel paradigm for reimagining the idea of 'work as a calling, ' which serves as a corrective that better supports the individuals' search for meaning and their contribution to the common good, arguing that the two go hand in hand, and so they cannot be separated.
