Going After Cacciato

A Novel *Crown*

A CLASSIC FROM THE NEW YORK TIMES BESTSELLING AUTHOR OF THE THINGS THEY CARRIED "To call *Going After Cacciato* a novel about war is like calling *Moby-Dick* a novel about whales." So wrote The New York Times of Tim O'Brien's now classic novel of Vietnam. Winner of the 1979 National Book Award, *Going After Cacciato* captures the peculiar mixture of horror and hallucination that marked this strangest of wars. In a blend of reality and fantasy, this novel tells the story of a young

soldier who one day lays down his rifle and sets off on a quixotic journey from the jungles of Indochina to the streets of Paris. In its memorable evocation of men both fleeing from and meeting the demands of battle, *Going After Cacciato* stands as much more than just a great war novel. Ultimately it's about the forces of fear and heroism that do battle in the hearts of us all. Now with Extra Libris material, including a reader's guide and bonus content

Box Me Up and Ship Me Home *Crown*

A classic from the New York Times bestselling author of *The Things They Carried* "One of the best, most disturbing, and most powerful books

The author takes us with him to experience combat from behind an infantryman's rifle, to walk the minefields of My Lai, to crawl into the ghostly tunnels, and to explore the ambiguities of manhood and morality in a war gone terribly wrong. Beautifully written and searingly heartfelt, *If I Die in a Combat Zone* is a masterwork of its genre. Now with Extra Libris material, including a reader's guide and bonus content.

Rainy River Country

A Brief History of the Region

Bordering Minnesota and Ontario

Minnesota Historical Society Press

With simplicity and charm, Grace Lee Nute tells the story of the Minnesota-Ontario border country west of the Boundary Waters--the region of the west-flowing Rainy River and the two lakes that it joins, Rainy Lake and Lake of the Woods. In this companion volume to *The Voyageur's Highway* Nute draws on her broad and thorough knowledge of historical sources to describe the earliest people who passed through the region, the mound builders who followed, and the Indians who lived on or near the river. She brings to life the fascinating succession of traders, prospectors, lumbermen, settlers, and, finally, tourists who called this northern border country home.

In Country *Harper Collins*

In the summer of 1984, the war in Vietnam came home to Sam Hughes, whose father was killed there before she was born. The soldier-boy in the picture never changed. In a way that made him dependable. But he seemed so innocent. "Astronauts have been to the moon," she blurted out to the picture. "You missed Watergate. I was in the second grade." She stared at the picture, squinting her eyes, as if she expected it to come to life. But Dwayne had died with his secrets. Emmett was walking around with his. Anyone who survived Vietnam seemed to regard it as something personal and embarrassing. Granddad had said they were embarrassed that they were still alive. "I guess you're not embarrassed," she said to the picture.

The Star *Independently Published*

"The Star" is an 1897 apocalyptic short story by H.G. Wells.

The Nuclear Age *Knopf*

Going After Cacciato (winner of the National Book Award in 1979) was widely acclaimed as one of the most powerful and emotionally vivid novels about Vietnam. Now, writing with the same sharp, richly expressive language, the same edgy dark humor and complete honesty, and the same rawness of nerve and energy, Tim O'Brien gives us an equally powerful novel about growing up

as a child of anxiety—the big anxiety, the one that’s been with us since the fifties, when we finally realized that Einstein’s theories translated into Russian. It’s 1995 and William Cowling is digging a hole in his backyard. He is forty-nine, and after years and years of pent-up terror he has finally found the courage of a fighting man. And so a hole. A hole that he hopes will one day be large enough to swallow up his almost fifty years’ worth of fear. A hole that causes his twelve-year-old daughter to call him a “nutto,” and his wife to stop speaking to him. A hole that William will not stop digging and out of which rise scenes of his past to play themselves out in his memory. The scenes take him back to his quietly peculiar adolescence (No. 2 pencils had a surprising

significance), to his college days, down into the underground, and up through several stabs at “normal” adulthood . . . they take him from Montana to Florida, from Cuba to California, from Kansas to New York to Germany and back to Montana as he makes his way through an often mystifying—but just as often hilarious —labyrinth of fears and desires, obsessions and obligations, blessed madness and less-than-blessed sobriety . . . they take him into the lives of a shrink who’s a whiz at role reversal and of a dizzying eccentric cheerleader; of radical misfits and misfit radicals; of an ethereal stewardess (the traveling man’s dream); and two guerilla commandos who mix shtick and nightmare in their tactical brew. And each scene is a reminder of the unbargained-for-terror

that has guided him to the bottom of his hole. For this digging is his final act of “prudence and sanity”—he’s taking control, getting there first, robbing his fears of their power to destroy . . . or so he believes. But is this act really sane? Is his daughter’s estimation of his emotional well-being (“pretty buggo, too”) the only truly sane statement being made? Is sanity even the issue? In the dazzling final scenes, William turns from the hole—from his past and from his future 0 to himself, digging deeper and deeper to find his answers. The Nuclear Age is pyrotechnically funny and moving, courageous and irreverent. It takes on our supreme unacknowledged terror (whose reality we both refuse to accept and all too easily accommodate ourselves to), finds it lunatic core, and

shapes it into a story that speaks of, and to, an entire age: our own, our nuclear age. It is an extraordinary novel.

The Way to Rainy Mountain, 50th

Anniversary Edition *University of New Mexico Press*

The Way to Rainy Mountain recalls the journey of Tai-me, the sacred Sun Dance doll, and of Tai-me's people in three unique voices: the legendary, the historical, and the contemporary. It is also the personal journey of N. Scott Momaday, who on a pilgrimage to the grave of his Kiowa grandmother traversed the same route taken by his forebears and in so doing confronted his Kiowa heritage. It is an evocation of three things in particular: a landscape that is incomparable, a time that is gone forever, and the human spirit, which endures. Celebrating fifty years since its 1969 release, this new edition offers a moving new preface and invites a new generation of readers to explore the

Kiowa myths, legends, and history with Pulitzer Prize-winning author N. Scott Momaday.

Rainy River Lives**Stories Told by Maggie Wilson** *U of Nebraska Press*

Rainy River Lives is the long-lost collection of stories of Ojibwe men and women as told by a hitherto unpublished, traditional Ojibwe storyteller, Maggie Wilson (1879?1940). Wilson lived on the Manitou Rapids Reserve on the Rainy River, which flows along the Ontario-Minnesota border. When anthropologist Ruth Landes arrived at Rainy River to conduct her doctoral research in 1932, Wilson often worked with the young scholar, telling

her many stories. Their relationship continued after Landes returned to Columbia University. During the following decades, however, the letters and stories Wilson had sent Landes, which Landes had carefully collected, were lost. Only recently were they discovered in the basement of the Smithsonian Institution, where they had been misfiled with papers of another anthropologist. This rich set of narratives takes us inside the intimate world of Ojibwe families at the turn of the twentieth century, a time of great upheaval when the Ojibwes were being relocated onto reserves and required by the government to abandon their seasonal migrations and subsistence activities. These remarkably detailed stories of ordinary Native people,

precisely through their everyday character, reveal much about Ojibwe cultural beliefs and paint a nuanced ethnographic portrait of Ojibwe life. In the distinctive voice of an exceptional and highly creative individual, the stories address both the culturally specific world of the Ojibwes and universal human themes of love, loss, and perseverance.

The Rainy Season

Three Lives in the New South Africa

University of Iowa Press

Just across the northern border of a former apartheid-era homeland sits a rural community in the midst of change, caught between a traditional past and a western future, a racially charged history and a pseudo-democratic present. The

Rainy Season, a work of engaging literary journalism, introduces readers to the remote bushveld community of Rooiboklaagte and opens a window into the complicated reality of daily life in South Africa. The Rainy Season tells the stories of three generations in the Rainbow Nation one decade after its first democratic elections. This multi-threaded narrative follows Regina, a tapestry weaver in her sixties, standing at the crossroads where her Catholic faith and the AIDS pandemic crash; Thoko, a middle-aged sangoma (traditional healer) taking steps to turn her shebeen into a fully licensed tavern; and Dankie, a young man taking his matriculation exams, coming of age as one of Mandela's Children, the first academic class educated entirely under

democratic governance. Home to Shangaan, Sotho, and Mozambican Tsonga families, Rooiboklaagte sits in a village where an outdoor butchery occupies an old petrol station and a funeral parlor sits in the attached garage. It's a place where an AIDS education center sits across the street from a West African doctor selling cures for the pandemic. It's where BMWs park outside of crumbling cement homes, and the availability of water changes with the day of the week. As the land shifts from dusty winter blond to lush summer green and back again, the duration of northeastern South Africa's rainy season, Regina, Thoko, and Dankie all face the challenges and possibilities of the new South Africa.

Hike It Baby

100 Awesome Outdoor Adventures with Babies and Toddlers *Rowman & Littlefield*

New parents and parents of toddlers face unique challenges when it comes to planning outdoor trips. “Family-friendly trail” is often a misleading phrase, and doesn’t take young children under the age of 5 into consideration, whose safety and comfort require a different perspective. The unpredictable nature of little ones leads many parents to put their adventure dreams on the back burner, missing out on years of meaningful experiences as a family. Hike it Baby presents 100 outdoor adventures across the U.S. that you can take with babies and toddlers (really!), along with

everything you need to know about exploring the natural world. Sourced from real families using Hike it Baby’s trail-tested system, this book helps moms and dads get out there in their comfort zone, yet feel like hardcore adventurers! Whether you’ve always wanted to hike part of the Appalachian Trail, splash around in gentle Northwest waterfalls, or scramble up rocks in the desert surrounded by Joshua Trees, this book shows you how to plan a truly memorable journey together.

On a Rainy Day *Penguin*

A sweet story of a father and daughter's cozy day together as they wait for a storm to pass. When rain interrupts their outdoor play, a girl and her father retreat indoors to wait out the storm. As

lightning cracks and thunder booms, they each have their own ideas of things they can do together on a rainy day. Told through spare text and bold sound effects, Sarah LuAnn Perkins' unique linocut-like textured illustrations create a fun read-aloud experience for both reader and listener.

corpses. Revisiting the sites of battles raises emotional ghosts for him and the memory of war scenes are juxtaposed with dreams and remembrances of his childhood sweetheart. The Sorrow of War burns the tragedy of war in our minds.

A Comprehensive Water Pollution Control Program for the Rainy River Basin

Pulp-mill Pollution of the Rainy River Near International Falls, Minnesota

Rainy Lake House

Twilight of Empire on the Northern Frontier *JHU Press*

“Focuses on three men from vastly

different backgrounds and serves as a vehicle for exploring the rigors of the fur trade . . . lyrical and transcendent.” —American Historical Review In September 1823, three men met at Rainy Lake House, a Hudson’s Bay Company trading post near the Boundary Waters. Dr. John McLoughlin, the proprietor of Rainy Lake House, was in charge of the borderlands west of Lake Superior, where he was tasked with opposing the petty traders who operated out of US territory. Major Stephen H. Long, an officer in the US Army Topographical Engineers, was on an expedition to explore the wooded borderlands west of Lake Superior and the northern prairies from the upper Mississippi to the forty-ninth parallel. John Tanner, a white man living among

the Ojibwa nation, arrived in search of his missing daughters, who, Tanner believed, were at risk of being raped by the white traders holding them captive at a nearby fort. Drawing on their combined experiences, Theodore Catton creates a vivid depiction of the beautiful and dangerous northern frontier from a collision of vantage points: American, British, and Indigenous; imperial, capital, and labor; explorer, trader, and hunter. At the center of this history is the deeply personal story of John Tanner's search for kinship: first among his adopted Ojibwa nation; then in the search for his white family of origin; and finally in his quest for custody of his multiracial children. "Written with clarity and energy, this book tells its story through the remarkable device of a triple

biography." —Gregory Evans Dowd, author of *Groundless*

Edge of the Map

The Mountain Life of Christine Boskoff *Mountaineers Books*

Edge of the Map is equal parts inspiring, dramatic, and heartbreaking. One of America's greatest high altitude mountaineers, Christine Boskoff was at the top of her career when she and her partner died in an avalanche in 2006. Charismatic, principled, and humble, Boskoff was also a deeply loved role model to her climbing partners and the Sherpa community. Edge of the Map traces the sharp twists and turns in Boskoff's life, from her early years as a Lockheed engineer, through her first

successes in the climbing world, to her purchase of Seattle-based Mountain Madness after owner and climber Scott Fischer died in the 1996 Everest disaster. Her life was one of constant achievement mixed with personal tragedy. The story follows Boskoff as she perseveres and moves on to even bigger peaks, earning acclaim as a world-class mountaineer, then later as she finds an alpine partnership with legendary Colorado climber Charlie Fowler.

The Grail

From Celtic Myth to Christian Symbol *Princeton University Press*

The medieval legend of the Grail, a tale about the search for supreme mystical experience, has never ceased to intrigue

writers and scholars by its wildly variegated forms: the settings have ranged from Britain to the Punjab to the Temple of Zeus at Dodona; the Grail itself has been described as the chalice used by Christ at the Last Supper, a stone with miraculous youth-preserving virtues, a vessel containing a man's head swimming in blood; the Grail has been kept in a castle by a beautiful damsel, seen floating through the air in Arthur's palace, and used as a talisman in the East to distinguish the chaste from the unchaste. In his classic exploration of the obscurities and contradictions in the major versions of this legend, Roger Sherman Loomis shows how the Grail, once a Celtic vessel of plenty, evolved into the Christian Grail with miraculous powers. Loomis bases his argument on

historical examples involving the major motifs and characters in the legends, beginning with the Arthurian legend recounted in the 1180 French poem by Chrétien de Troyes. The principal texts fall into two classes: those that relate the adventures of the knights in King Arthur's time and those that account for the Grail's removal from the Holy Land to Britain. Written with verve and wit, Loomis's book builds suspense as he proceeds from one puzzle to the next in revealing the meaning behind the Grail and its legends.

Death of a Soldier

Beloved American children's author Louisa May Alcott worked as an army nurse in Union Hospital in Washington, D.C. for six weeks during the Civil War.

Portions of letters sent home to Concord, Massachusetts were collected and published as *Hospital Sketches* in 1863. In this excerpt, Alcott writes of the final days of a Virginia blacksmith named John: "The only time I saw his composure disturbed, was when my surgeon brought another to examine John, who scrutinized their faces with an anxious look, asking of the elder: 'Do you think I will pull through, sir?'" This short work is part of Applewood's "American Roots," series, tactile mementos of American passions by some of America's most famous writers and thinkers.

Across Five Aprils *Penguin*

The Newbery Award-winning author of *Up a Road Slowly* presents the unforgettable story of Jethro

Creighton—a brave boy who comes of age during the turbulent years of the Civil War. In 1861, America is on the cusp of war, and young Jethro Creighton is just nine-years-old. His brother, Tom, and his cousin, Eb, are both of fighting age. As Jethro's family is pulled into the conflict between the North and the South, loyalties are divided, dreams are threatened, and their bonds are put to the test in this heart-wrenching, coming of age story. "Drawing from family records and from stories told by her grandfather, the author has, in an uncommonly fine narrative, created living characters and vividly reconstructed a crucial period of history."—Booklist

Transgender indie electronica singer-songwriter Rae Spoon has six albums to their credit, including 2012's *I Can't Keep All of Our Secrets*. This first book by Rae (who uses "they" as a pronoun) is a candid, powerful story about a young person growing up queer in a strict Pentecostal family in rural Canada. The narrator attends church events and Billy Graham rallies faithfully with their family before discovering the music that becomes their salvation and means of escape. As their father's schizophrenia causes their parents' marriage to unravel, the narrator finds solace and safety in the company of their siblings,

in their nascent feelings for a girl at school, and in their growing awareness that they are not the person their parents think they are. With a heart as big as the prairie sky, this is a quietly devastating, heart-wrenching coming-of-age book about escaping dogma, surviving abuse, finding love, and risking everything for acceptance. Rae Spoon lives in Montreal, Quebec.

Roman Fever and Other Stories
Simon and Schuster

A side from her Pulitzer Prize-winning talent as a novel writer, Edith Wharton also distinguished herself as a short story writer, publishing more than seventy-two stories in ten volumes during her lifetime. The best of her short fiction is collected here in *Roman Fever and Other Stories*. From her picture of erotic love and illegitimacy in the title

story to her exploration of the aftermath of divorce detailed in "Souls Belated" and "The Last Asset," Wharton shows her usual skill "in dissecting the elements of emotional subtleties, moral ambiguities, and the implications of social restrictions," as Cynthia Griffin Wolff writes in her introduction. *Roman Fever and Other Stories* is a surprisingly contemporary volume of stories by one of our most enduring writers.
