Solution Selling Examples

Solution selling is the process of selling the customer a solution to their problems as opposed to a product or service. The term is associated with the sales of products and services that can be used as the building blocks of a custom implementation. Solution selling is common in areas such as construction services, software and outsourcing sales.

The 7 Stages of the Solution Selling Process - Simplicable

Solution selling is ideal for industries with highly customized products and/or packages. For example, a company who offers a cloud storage platform along with maintenance and security services will probably create a unique bundle for each of its customers.

Solution Selling: The Ultimate Guide - HubSpot

Value-centric: The solution selling approach is about selling the value of a product or service, not the bells and whistles. For example, if a salesperson is selling a kitchen appliance, the key points on which she will focus are not the warranty or the manufacturing materials.

Solution Selling: Definition, Questions & Examples | Bizfluent

Solution-selling companies seem to have marketing programs that struggle to support sales effectively. Value propositions that sales reps can take to their customers are often difficult to tailor or quantify, nor are they modular. The biggest gap to close between top and average performers lies in managing channel partners. In solutions selling ...

What's wrong with solutions selling—and how to put it right

The solution selling process is exactly what it sounds like: selling a customer on a solution (your business or product) that helps them overcome a problem. A solution selling process differs from a more traditional sales process because, instead of just pushing a product, the seller focuses on a specific issue or problem the customer faces and ...

Why You Should Use the Solution Selling Process ...

The distinction in some cases can be difficult to make but as an example, we have a client that provides truck rental services to industrial and construction customers. In their case, we are not selling just a "rental truck", we are selling the solution that helps companies manage their fleet needs in the short, medium and long-term.

5 Steps to Selling the Solution, Not Just the Product

While traditional solution selling is still dead, the changing B2B landscape has given rise to a new best-in-breed sales methodology: insight selling. Although insight selling is not new, it's ...

Insight Selling Is The New Solution Selling

Enterprise-class software development projects, technical integration projects, large plant engineering projects, or construction projects are examples that illustrate high complexity situations. Selling organizations use a solution selling approach when one or more of the following circumstances exist:

Solution selling - Wikipedia

The best examples of value-based selling don't even look like sales pitches. They start off as educators, and from there are able to build your trust and become the 'go-to' solution when the customer is ready to spend money to solve their problem. Check out the brilliance behind Mailchimp's in-house education hub.

Value-Based Selling: 6 Ways to Sell Value Rather Than Price
