The 4-Hour Body *Harmony*

#1 NEW YORK TIMES BESTSELLER • The game-changing author of *Tribe of Mentors* teaches you how to reach your peak physical potential with minimum effort. “A practical crash course in how to

reinvent yourself.”—Kevin Kelly, *Wired* Is it possible to reach your genetic potential in 6 months? Sleep 2 hours per day and perform better than on 8 hours? Lose more fat than a marathoner by bingeing? Indeed, and much more. The 4-Hour Body is the result of an obsessive quest, spanning more than a decade, to hack the human body using data science. It contains the collective wisdom of hundreds of elite athletes, dozens of MDs, and thousands of hours of jaw-dropping personal experimentation. From Olympic training centers to black-market laboratories, from Silicon Valley to South Africa, Tim Ferriss fixated on one life-changing question: For all things physical, what are the tiniest changes that produce the biggest results? Thousands of tests later, this book contains the answers for both men and women. It’s the wisdom Tim used to gain 34 pounds of muscle in 28 days, without steroids, and in four hours of total gym time. From the gym to the bedroom, it’s all here, and it all works. You will learn (in less than 30 minutes each):

- How to lose those last 5-10 pounds (or 100+ pounds) with odd combinations of food and safe chemical cocktails
- How to prevent fat gain while bingeing over the weekend or the holidays
- How to sleep 2 hours per day and feel fully rested
- How to produce 15-minute female orgasms
- How to triple testosterone and double sperm count
- How to go from running 5 kilometers to 50 kilometers in 12 weeks
- How to reverse “permanent” injuries
- How to pay for a beach vacation with one hospital visit

And that's just the tip of the iceberg. There are more than 50 topics covered, all with real-world experiments, many including more than 200 test subjects. You don't need better genetics or more exercise. You need immediate results that compel you to continue. That’s exactly what The 4-Hour Body

delivers.

The 4-Hour Workweek ... in 30 Minutes

The 4-Hour Workweek ...in 30 minutes is the essential guide to quickly learning how to break free from the 9-5 and embrace the revolutionary New Rich world as outlined in Timothy Ferriss's best-selling book, *The 4-Hour Workweek: Escape 9-5, Live Anywhere, and Join the New Rich*. In *The 4-Hour Workweek*, best-selling author Timothy Ferriss asserts that anyone who is willing to adopt a new set of rules--one that centers on creating freedom and automated income rather than relying on conventional concepts of wealth--can successfully embrace the New Rich lifestyle. As Ferriss explains, the New Rich are people who reject the model for living that focuses on years of tireless work followed by permanent retirement. Outlining four clear steps to achieving a liberated life, Ferriss provides the tools for utilizing

the currency of the New Rich--time and mobility. Whether you are a time-strapped workaholic or feel trapped by your 9-5, *The 4-Hour Workweek* offers Ferriss's formula for a life of passion, learning, service, excitement--and extremely minimal work. A 30 Minute Expert Summary Designed for those whose desire to learn exceeds the time they have available, 30 Minute Expert Summaries enable readers to rapidly understand the essential ideas behind critically acclaimed books. With a condensed format and chapter-by-chapter synopsis that highlights key lessons, readers can quickly and easily become experts ...in 30 minutes.

The Soul of Money: Transforming Your Relationship with Money and Life *W. W. Norton & Company*

"A life-changing read. With warmth, honesty, and storytelling, Lynne turns everything we think we know about money upside down...It's the book we all need right now." —Brené Brown, Ph.D., author of the #1 New York Times bestseller *Rising Strong* This liberating book shows us that examining our attitudes toward money—earning it, spending it, and giving it away—offers surprising insight into our lives. Through personal stories and practical advice, Lynne Twist asks us to discover our relationship with money, understand how we use it, and by assessing our core human values, align our relationship with it to our desired goals. In doing so, we can transform our lives. *The Soul of Money* now includes a foreword from Jack Canfield and a new introduction by Lynne Twist, in which she explores the effects of the Great Recession and environmental concerns about our monetary needs and aims.

Tribe of Mentors *Houghton Mifflin Harcourt*

Life-changing wisdom from 130 of the world's highest achievers in short, action-packed pieces, featuring inspiring quotes, life lessons, career guidance, personal anecdotes, and other advice

The 4 Day Week *Piatkus*

SHORTLISTED FOR THE BUSINESS BOOK AWARDS 2021 In *The 4 Day Week*, entrepreneur and business innovator Andrew Barnes makes the case for the four-day work week as the answer to many of the ills of the 21st-century global economy. Barnes conducted an experiment in his own business, the New Zealand trust company Perpetual Guardian, and asked his staff to design a four-day week that would permit them to meet their existing productivity requirements on the same salary but with a 20% cut in work hours. The outcomes of this trial, which no business leader had previously attempted on these terms, were stunning. People were happier and healthier, more engaged in their personal lives, and more focused and productive in the office. The world of work has seen a dramatic shift in recent times: the former security and benefits associated with permanent employment are being displaced by the less stable gig economy. Barnes explains the dangers of a focus on flexibility at the expense of hard-won worker protections, and argues that with the four-day week, we can have the best of all worlds: optimal productivity, work-life balance, worker benefits and, at long last, a solution to pervasive economic inequities such as the gender pay gap and lack of diversity in business and governance. *The 4 Day Week* is a practical, how-to guide for business leaders and employees alike that is applicable to nearly every industry. Using

qualitative and quantitative data from research gathered through the Perpetual Guardian trial and other sources by the University of Auckland and Auckland University of Technology, the book presents a step-by-step approach to preparing businesses for productivity-focused flexibility, from the necessary cultural conditions to the often complex legislative considerations. The story of Perpetual Guardian's unprecedented work experiment has made headlines around the world and stormed social media, reaching a global audience in more than seventy countries. A mix of trenchant analysis, personal observation and actionable advice, *The 4 Day Week* is an essential guide for leaders and workers seeking to make a change for the better in their work world.

The Year of Less *Hay House, Inc*

The Year of Less In her late twenties, Cait Flanders found herself stuck in the consumerism cycle that grips so many of us: earn more, buy more, want more, rinse, repeat. Even after she worked her way out of nearly \$30,000 of consumer debt, her old habits took hold again. When she realized that nothing she was doing or buying was making her happy—only keeping her from meeting her goals—she decided to set herself a challenge: she would not shop for an entire year. *The Year of Less* documents Cait's life for twelve months during which she bought only consumables: groceries, toiletries, gas for her car. Along the way, she challenged herself to consume less of many other things besides shopping. She decluttered her apartment and got rid of 70 percent of her belongings; learned how to fix things rather than throw them away; researched the zero waste movement; and

completed a television ban. At every stage, she learned that the less she consumed, the more fulfilled she felt. The challenge became a lifeline when, in the course of the year, Cait found herself in situations that turned her life upside down. In the face of hardship, she realized why she had always turned to shopping, alcohol, and food—and what it had cost her. Unable to reach for any of her usual vices, she changed habits she'd spent years perfecting and discovered what truly mattered to her. Blending Cait's compelling story with inspiring insight and practical guidance, *The Year of Less* will leave you questioning what you're holding on to in your own life—and, quite possibly, lead you to find your own path of less.

Occupational Outlook Handbook

The Know-It-All *Simon and Schuster*

33,000 pages 44 million words 10 billion years of history 1 obsessed man Part memoir and part education (or lack thereof), *The Know-It-All* chronicles NPR contributor A.J. Jacobs's hilarious, enlightening, and seemingly impossible quest to read the *Encyclopaedia Britannica* from A to Z. To fill the ever-widening gaps in his Ivy League education, A.J. Jacobs sets for himself the daunting task of reading all thirty-two volumes of the *Encyclopaedia Britannica*. His wife, Julie, tells him it's a waste of time, his friends believe he is losing his mind, and his father, a brilliant attorney who had once attempted the same feat and quit somewhere around Borneo, is encouraging but, shall we say, unconvinced. With self-deprecating wit and a disarming frankness, *The Know-It-All* recounts the unexpected and comically

disruptive effects Operation Encyclopedia has on every part of Jacobs's life -- from his newly minted marriage to his complicated relationship with his father and the rest of his charmingly eccentric New York family to his day job as an editor at Esquire. Jacobs's project tests the outer limits of his stamina and forces him to explore the real meaning of intelligence as he endeavors to join Mensa, win a spot on Jeopardy!, and absorb 33,000 pages of learning. On his journey he stumbles upon some of the strangest, funniest, and most profound facts about every topic under the sun, all while battling fatigue, ridicule, and the paralyzing fear that attends his first real-life responsibility -- the impending birth of his first child. The Know-It-All is an ingenious, mightily entertaining memoir of one man's intellect, neuroses, and obsessions and a soul-searching, ultimately touching struggle between the all-consuming quest for factual knowledge and the undeniable gift of hard-won wisdom.

The E-Myth Revisited *Harper Collins*

An instant classic, this revised and updated edition of the phenomenal bestseller dispels the myths about starting your own business. Small business consultant and author Michael E. Gerber, with sharp insight gained from years of experience, points out how common assumptions, expectations, and even technical expertise can get in the way of running a successful

business. Gerber walks you through the steps in the life of a business—from entrepreneurial infancy through adolescent growing pains to the mature entrepreneurial perspective: the guiding light of all businesses that succeed—and shows how to apply the lessons of franchising to any business, whether or not it is a franchise. Most importantly, Gerber draws the vital, often overlooked distinction between working on your business and working in your business. The E-Myth Revisited will help you grow your business in a productive, assured way.

The Millionaire Fastlane *Viperion Publishing Corp*

10TH ANNIVERSARY EDITION Is the financial plan of mediocrity -- a dream-stealing, soul-sucking dogma known as "The Slowlane" your plan for creating wealth? You know how it goes; it sounds a lil something like this: "Go to school, get a good job, save 10% of your paycheck, buy a used car, cancel the movie channels, quit drinking expensive Starbucks mocha lattes, save and penny-pinch your life away, trust your life-savings to the stock market, and one day, when you are oh, say, 65 years old, you can retire rich." The mainstream financial gurus have sold you blindly down the river to a great financial gamble: You've been hoodwinked to believe that wealth can be created by recklessly trusting in the uncontrollable and unpredictable markets: the housing market, the stock market, and the job market. This impotent financial gamble dubiously promises wealth in a wheelchair -- sacrifice your adult life for a financial plan that reaps dividends in the twilight of life. Accept the Slowlane as your blueprint for wealth and your financial future will blow carelessly asunder on a sailboat of HOPE: HOPE you can find a job and keep it, HOPE the

stock market doesn't tank, HOPE the economy rebounds, HOPE, HOPE, and HOPE. Do you really want HOPE to be the centerpiece for your family's financial plan? Drive the Slowlane road and you will find your life deteriorate into a miserable exhibition about what you cannot do, versus what you can. For those who don't want a lifetime subscription to "settle-for-less" and a slight chance of elderly riches, there is an alternative; an expressway to extraordinary wealth that can burn a trail to financial independence faster than any road out there. Why jobs, 401(k)s, mutual funds, and 40-years of mindless frugality will never make you rich young. Why most entrepreneurs fail and how to immediately put the odds in your favor. The real law of wealth: Leverage this and wealth has no choice but to be magnetized to you. The leading cause of poorness: Change this and you change everything. How the rich really get rich - and no, it has nothing to do with a paycheck or a 401K match. Why the guru's grand deity - compound interest - is an impotent wealth accelerator. Why the guru myth of "do what you love" will most likely keep you poor, not rich. And 250+ more poverty busting distinctions... Demand the Fastlane, an alternative road-to-wealth; one that actually ignites dreams and creates millionaires young, not old. Change lanes and find your explosive wealth accelerator. Hit the Fastlane, crack the code to wealth, and find out how to live rich for a lifetime.

Optionality *Thales Press*

Not Sure What the Future Holds? No Problem. It's hard not to be worried about the future, especially if you just lost your job, are trying to plan your career, or are suddenly missing thousands of dollars from your retirement account. In *Optionality*, finance journalist Richard Meadows lays out a guide for not only becoming resilient to shocks, but positioning yourself to profit from an unpredictable world. Meadows takes us on a journey from quitting his office job at age 25, to lounging on tropical beaches living the early retirement dream, to finding and adopting an ancient philosophy for systematically pursuing the good life. Learn how to:

- Find investment opportunities with open-ended upside, and maximise the chances of a 'moonshot' success
- Make life-changing choices under conditions of uncertainty
- Achieve the kind of financial freedom that lets you live life on your own terms
- Protect against disaster, build support networks, and create a safety buffer of resilience in every area of life
- Develop a systems approach to making your own luck

Optionality is the key to navigating an uncertain world. In this entertaining and insightful debut, Meadows delivers a timely message: optionality has never been so valuable, and only those who have it will survive and thrive.

Learn how to Live the 4-Hour Workweek. Come enjoy the good life on the cheap in Thailand for 12 weeks or more. Instead of spending another month living paycheck to paycheck wouldn't you rather say: ""I spend my days laying under the warm sun with a coconut in my hand."" ""I started my fight camp 12 weeks ago, and last night, I won my first pro muay thai match."" ""I can't believe I actually get paid to take people scuba diving, this is the best job ever."" ""I spend less in an entire month traveling, getting massages, eating out, and living in Thailand than I spent

on rent alone back home." 12 Weeks in Thailand: The Good Life on the Cheap is a true story that follows the author Johnny F.D. from his home in Los Angeles, California to his first 3 week vacation to Thailand where he decides to give it all up in pursuit of a happier life under the sun. He goes home to sell everything he owns and comes straight back to Thailand for his first of many 12 week trips.

Out of Touch *MIT Press*

A behavioral scientist explores love, belongingness, and fulfillment, focusing on how modern technology can both help and hinder our need to connect. A Next Big Idea Club nominee. Millions of people around the world are not getting the physical, emotional, and intellectual intimacy they crave. Through the wonders of modern technology, we are connecting with more people more often than ever before, but are these connections what we long for? Pandemic isolation has made us even more alone. In *Out of Touch*, Professor of Psychology Michelle Drouin investigates what she calls our intimacy famine, exploring love, belongingness, and fulfillment and considering why relationships carried out on technological platforms may leave us starving for physical connection. Drouin puts it this way: when most of our interactions are through social media, we are taking tiny hits of dopamine rather than the huge shots of oxytocin that an intimate in-person relationship would provide. Drouin explains that intimacy is not just sex—although of course sex is an important part of intimacy. But how important? Drouin reports on surveys that millennials (perhaps distracted by constant Tinder-swiping) have less sex than previous generations. She discusses pandemic

puppies, professional cuddlers, the importance of touch, “desire discrepancy” in marriage, and the value of friendships. Online dating, she suggests, might give users too many options; and the internet facilitates “infidelity-related behaviors.” Some technological advances will help us develop and maintain intimate relationships—our phones, for example, can be bridges to emotional support. Some, on the other hand, might leave us out of touch. Drouin explores both of these possibilities.

Atomic Habits *Penguin*

The #1 New York Times bestseller. Over 4 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to

make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

The 4-Hour Workweek *Createspace Independent Publishing Platform*

The 4-Hour Workweek In 20 Minutes Summary Tim Ferriss The 4-Hour Work Week teaches techniques to increase your time and financial freedom giving you more lifestyle options. The 4-Hour Workweek: Escape 9-5, Live Anywhere, and Join the New Rich (2007) is a self-help book by Timothy Ferriss, an American writer, educational activist, and entrepreneur. The book has spent more than four years on The New York Times Best Seller List, has been translated into 35 languages and has sold more than 1,350,000 copies worldwide. It deals with what Ferriss refers to as "lifestyle design" and repudiates the traditional "deferred" life plan in which people work grueling hours and take few vacations for decades and save money in order to relax after retirement.

12 Months to \$1 Million *BenBella Books*

This is the road map to a seven-figure business . . . in one year or less The word "entrepreneur" is today's favorite buzzword, and any aspiring business owner has likely encountered an overwhelming number of so-called "easy paths to success." The truth is that building a real, profitable, sustainable business

requires thousands of hours of commitment, grit, and hard work. It's no wonder why more than half of new businesses close within six years of opening, and fewer than 5 percent will ever earn more than \$1 million annually. 12 Months to \$1 Million condenses the startup phase into one fast-paced year that has helped hundreds of new entrepreneurs hit the million-dollar level by using an exclusive and foolproof formula. By cutting out the noise and providing a clear and proven plan, this roadmap helps even brand-new entrepreneurs make decisions quickly, get their product up for sale, and launch it to a crowd that is ready and waiting to buy. This one-year plan will guide you through the three stages to your first \$1 million: • The Grind (Months 0-4): This step-by-step plan will help you identify a winning product idea, target customers that are guaranteed to buy, secure funding, and take your first sale within your first four months. • The Growth (Months 5 - 8): Once you're in business, you will discover how to use cheap and effective advertising strategies to get your product to at least 25 sales per day, so you can prove you have a profitable business. • The Gold (Months 9-12): It's time to establish series of products available for sale, until you are averaging at least 100 sales per day, getting you closer to the million-dollar mark every single day. Through his training sessions at Capitalism.com, Ryan Daniel Moran has helped new and experienced entrepreneurs launch scalable and sustainable online businesses. He's seen more than 100 entrepreneurs cross the seven-figure barrier, many of whom go on to sell their businesses. If your goal is to be a full-time entrepreneur, get ready for one chaotic, stressful, and rewarding year. If you have the guts to complete it, you will be the proud owner of a million-

dollar business and be in a position to call your own shots for life.

Big Mistakes *John Wiley & Sons*

A Must-Read for Any Investor Looking to Maximize Their Chances of Success *Big Mistakes: The Best Investors and Their Worst Investments* explores the ways in which the biggest names have failed, and reveals the lessons learned that shaped more successful strategies going forward. Investing can be a rollercoaster of highs and lows, and the investors detailed here show just how low it can go; stories from Warren Buffet, Bill Ackman, Chris Sacca, Jack Bogle, Mark Twain, John Maynard Keynes, and many more illustrate the simple but overlooked concept that investing is really hard, whether you're managing a few thousand dollars or a few billion, failures and losses are part of the game. Much more than just anecdotal diversion, these stories set the basis for the book's critical focus: learning from mistakes. These investors all recovered from their missteps, and moved forward armed with a wealth of knowledge than can only come from experience. Lessons learned through failure carry a weight that no textbook can convey, and in the case of these legendary investors, informed a set of skills and strategy that propelled them to the top. Research-heavy and grounded in realism, this book is a must-read for any investor looking to maximize their chances of success. Learn the most common ways even successful investors fail Learn from the mistakes of the greats to avoid losing ground Anticipate challenges and obstacles, and develop an advance plan Exercise caution when warranted, and only take the smart risks While learning from your mistakes is always a valuable experience, learning from the mistakes of others gives you the benefit of wisdom without the consequences of experience. *Big Mistakes: The Best Investors*

and Their Worst Investments provides an incomparable, invaluable resource for investors of all stripes.

A Good Food Day *Clarkson Potter*

In *A Good Food Day*, more than 100 recipes made with good-for-you ingredients make a good food day--a day when feeling good and eating well go hand in hand--easy and attainable. After years of thoughtless eating that led to weight gain and poor health, chef Marco Canora knew he had to make every day a good food

day: a whole day in which every meal was full of healthy and delicious ingredients. But he wasn't willing to give up flavor for health. Instead of dieting, he decided to make simple, natural recipes fit for a food lover's palate. Marco explains the secret powers of good-for-you ingredients (such as low-GI carbohydrates and alkaline-forming greens), and then builds them into recipes that are all about satisfaction, such as Amaranth Polenta with Tuscan Kale, Black Rice Seafood Risotto, Citrus-Spiked Hazelnut and Rosemary Granola, and Chickpea Crepe Sandwiches. He covers techniques to coax natural flavor out of dishes, including infusing seasoning into vegetable salads and pounding fresh herbs and spices into lean meats. To make a lasting change in your diet, the food you eat has to be delicious. *A Good Food Day* is for people who love real food, and know that healthy and flavorful can go hand in hand.

A Flicker in the Dark *Minotaur Books*

A New York Times Bestseller "A smart, edge-of-your-seat story with plot twists you'll never see coming. Stacy Willingham's debut will keep you turning pages long past your bedtime." —Karin Slaughter When Chloe Davis was twelve, six teenage girls went missing in her small Louisiana town. By the end of the summer, her own father had confessed to the crimes and was put away for life, leaving Chloe and the rest of her family to grapple with the truth and try to move forward while dealing with the aftermath. Now twenty years later, Chloe is a psychologist in Baton Rouge and getting ready for her wedding. While she finally has a fragile grasp on the happiness she's worked so hard to achieve, she sometimes feels as out of control of her own life as

the troubled teens who are her patients. So when a local teenage girl goes missing, and then another, that terrifying summer comes crashing back. Is she paranoid, seeing parallels from her past that aren't actually there, or for the second time in her life, is Chloe about to unmask a killer? From debut author Stacy Willingham comes a masterfully done, lyrical thriller, certain to be the launch of an amazing career. *A Flicker in the Dark* is eerily

compelling to the very last page.
