The XL350 was a direct descendant of
 Honda's XL250 single. The latter
 appeared in 1972, and was a pleasant
 little creature, with the operative word

being "little." The 300-pound 250 was actually quite good in competition, but racing is a very different world from the fun-loving types who just wanted to putter along unkempt trails through a forest, state or national. Honda understood that ...
