Edible and Useful Plants of California | Ecology Center

The descriptions and common uses of the plants are also sketchy, but like the author says the book contains only the most important and common edible plants of the West. So I would not recommend the book for the beginner and only maybe for the more experienced forager for reminders on plant uses while out hiking because of the book's light weight.

Common Edible Useful Plants of the West (Outdoor and ...

The garden and its history is a story of people, from the early Apothecaries who studied plants in the garden, to the apprentice gardeners who still learn their craft in the garden today. Place Tucked away beside the Thames, Chelsea Physic Garden is the oldest botanic garden in London and houses around 5,000 different medicinal, herbal, edible, and useful plants.
