Well done Hydrovane. Just think of how much less wear and tear there is on their vessel’s steering system when the Hydrovane steers it independently for 95 % of a 20 day passage vs using an electronic autopilot which endlessly cranks the wheel back and forth and all the cables and quadrant connected to the system for the same 20 days.

Hydrovane Self Steering Windvane

Hydrovane air compressors are world famous with a reputation for quality and durability. Hydrovane compressors all use the sliding vane or rotary vane principle to generate compressed air. The compressor has few moving parts and metal to metal contact is avoided through use of an oil based coolant.
