Old Latin, also known as Early Latin or Archaic Latin, was the Latin language in the period before 75 BC, i.e. before the age of Classical Latin. It is ultimately descended from the Proto-Italic language. The use of "old", "early" and "archaic" has been standard in publications of Old Latin writings since at least the 18th century. The definition is not arbitrary, but the terms refer to writings with spelling conventions and word forms not generally found in works written under the Roman Empire.
