Character education is as old as education itself. Down through history, education has had two great goals: to help people become smart and to help them become good. Acting on that belief, schools in the earliest days of our republic tackled character education head on—through discipline, the teacher's example, and the daily school curriculum.

The Return of Character Education - Educational Leadership

Lickona, Thomas Drawing from research, this book examines the current state of moral education, and asks how schools can foster the moral development of children. Following a preface, the book is divided into three parts.
