American History By Era Antebellum

Antebellum Period summary: The Antebellum Period in American history is generally considered to be the period before the Civil War and after the War of 1812, although some historians expand it to all the years from the adoption of the Constitution in 1789 to the beginning of the Civil War. It was characterized by the rise of

abolition and the gradual polarization of the country between abolitionists and supporters of slavery.

Antebellum Period - HistoryNet

The Antebellum South (also known as the antebellum era or plantation era) was a period in the history of the Southern United States from the late 18th century until the start of the American Civil War in 1861. This period in the South's history was marked by the economic growth of the region, largely due to its heavy reliance on slavery, and of its political influence on the U.S. federal government.
