Mitsubishi Medallion HD 1080 television won't turn on

I have a Mitsubishi

Medallion HDTV 1080. It turned off last night after I tried to change the input to cable, I thought it was something with the remote so I changed the batteries and the TV wouldn't turn back on. At some point the green light started flashing. It will not reset and I have tried unplugging and resetting also. Nothing will work, and I can't find my owner's manual!
