Epistemic Injustice Power And The

This book argues that there is a distinctively epistemic genus of injustice, in which someone is wronged specifically in their capacity as a knower, wronged therefore in a capacity essential to human value. The book identifies two forms of epistemic injustice: testimonial injustice and hermeneutical injustice. In doing so, it charts the ethical dimension of two fundamental epistemic practices: gaining knowledge by being told and making sense of our social experiences.

Epistemic Injustice: Power and the Ethics of Knowing ...

The book explores two different types of epistemic injustice, each driven by a form of prejudice, and from this exploration comes a positive account of two corrective ethical-intellectual virtues. The characterization of these phenomena casts light on many issues, such as social power, prejudice, virtue, and the genealogy of knowledge, and it proposes a virtue epistemological account of testimony.

Epistemic Injustice: Power and the Ethics of Knowing Précis
Epistemic Injustice can be divided into two parts: Testimonial, and Hermeneutical. The first has to do with a listener giving a speaker less credibility than she deserves, especially when the reduced credibility has to do with a prejudice about the speaker (for example, that women are merely intuitive rather than rational and therefore less likely to know what they're talking about).
