Personal excellence involves motives, values and standards The quality of our life today is a reflection of our past motives and values. Moving toward personal excellence requires that we be willing to raise the bar on our standards. The only legitimate way to expect more from life is to be willing to give more.

Where Does Personal Excellence Begin?

Excellence is performing at your highest level. Whether it's raising your self-esteem, doing well at your job, having satisfying relationships, or improving your physical body, engaging in excellence means you carefully think through your goal and make logical plans, you take the time to do your best, and you work hard at achieving what you desire. Pursuing excellence begins with a decision you make, an ideal you envision.
