Spectral and monstrous mothers populate the cultural and literary landscape of the eighteenth century, overturning scholarly assumptions about this being an era of ideal motherhood.Although credited with the rise of domesticity, eighteenth-century British culture singularly lacked narratives of good mothers, ostensibly the most domestic of females.

Monstrous Motherhood | Johns Hopkins University Press Books

Monstrous Motherhood groups the eighteenth century’s cultural representations of maternity into four categories: maternal dominance, infanticide, stepmotherhood, and maternal absence (18). The cultural stories that emerged from the different maternal epistemologies governing these

categories, Francus claims, alleviated social anxieties about motherhood while establishing the script of modern maternity.
