The Choice

Embrace the Possible *Simon and Schuster*

A New York Times Bestseller “I’ll be forever changed by Dr. Eger’s story...The Choice is a reminder of what courage looks like in the worst of times and that we all have the ability to pay attention to

what we've lost, or to pay attention to what we still have."—Oprah "Dr. Eger's life reveals our capacity to transcend even the greatest of horrors and to use that suffering for the benefit of others. She has found true freedom and forgiveness and shows us how we can as well." —Desmond Tutu, Nobel Peace Prize Laureate "Dr. Edith Eva Eger is my kind of hero. She survived unspeakable horrors and brutality; but rather than let her painful past destroy her, she chose to transform it into a powerful gift—one she uses to help others heal." —Jeannette Walls, New York Times bestselling author of *The Glass Castle* Winner of the National Jewish Book Award and Christopher Award At the age of sixteen, Edith Eger was sent to Auschwitz. Hours after her parents were

killed, Nazi officer Dr. Josef Mengele, forced Edie to dance for his amusement and her survival. Edie was pulled from a pile of corpses when the American troops liberated the camps in 1945. Edie spent decades struggling with flashbacks and survivor's guilt, determined to stay silent and hide from the past. Thirty-five years after the war ended, she returned to Auschwitz and was finally able to fully heal and forgive the one person she'd been unable to forgive—herself. Edie weaves her remarkable personal journey with the moving stories of those she has helped heal. She explores how we can be imprisoned in our own minds and shows us how to find the key to freedom. *The Choice* is a life-changing book that will provide hope and comfort to generations of readers.

The Choice

Embrace the Possible *Simon and Schuster*

A powerful, moving memoir, and a practical guide to healing, written by Dr. Edie Eger, an eminent psychologist whose own experiences as a Holocaust survivor help her treat patients suffering from traumatic stress disorders.

The Choice

A true story of hope *Random House*

THE AWARD-WINNING SUNDAY TIMES AND NEW YORK TIMES BESTSELLER Even in hell, hope can flower 'I'll be forever changed by her story' - Oprah Winfrey 'Extraordinary ... will stick with you long after you read it' - Bill Gates 'One of

those rare and eternal stories you don't want to end' - Desmond Tutu 'A masterpiece of holocaust literature. Her memoir, like her life, is extraordinary, harrowing and inspiring in equal measure' - The Times Literary Supplement 'I can't imagine a more important message for modern times. Eger's book is a triumph' - The New York Times In 1944, sixteen-year-old ballerina Edith Eger was sent to Auschwitz. Separated from her parents on arrival, she endures unimaginable experiences, including being made to dance for the infamous Josef Mengele. When the camp is finally liberated, she is pulled from a pile of bodies, barely alive. The horrors of the Holocaust didn't break Edith. In fact, they helped her learn to live again with a life-affirming strength and a truly

remarkable resilience. The Choice is her unforgettable story. It shows that hope can flower in the most unlikely places.

The Gift

12 Lessons to Save Your Life *Scribner*

This practical and inspirational guide to healing from the award-winning, New York Times bestselling author of The Choice shows us how to stop destructive patterns and imprisoning thoughts to find freedom and enjoy life. Edith Eger's powerful first book The Choice told the story of her survival in the concentration camps, her escape, healing, and journey to freedom. Oprah Winfrey says, "I will be forever changed by Dr. Eger's story." Thousands of people around the world have written to Eger to tell her how The

Choice moved them and inspired them to confront their own past and try to heal their pain; and to ask her to write another, more "how-to" book. Now, in The Gift, Eger expands on her message of healing and provides a hands-on guide that gently encourages us to change the thoughts and behaviors that may be keeping us imprisoned in the past. Eger explains that the worst prison she experienced is not the prison that Nazis put her in but the one she created for herself, the prison within her own mind. She describes the twelve most pervasive imprisoning beliefs she has known—including fear, grief, anger, secrets, stress, guilt, shame, and avoidance—and the tools she has discovered to deal with these universal challenges. Accompanied by stories from

Eger's own life and the lives of her patients each chapter includes thought-provoking questions and takeaways, such as: -Would you like to be married to you? -Are you evolving or revolving? - You can't heal what you can't feel. Filled with empathy, insight, and humor, *The Gift* captures the vulnerability and common challenges we all face and provides encouragement and advice for breaking out of our personal prisons to find healing and enjoy life.

The Choice Rider

In 1944, sixteen-year-old Edith Eger was sent to Auschwitz. There she endured unimaginable experiences, including being made to dance for the infamous Josef Mengele. Over the coming months, Edith's bravery helped her sister to

survive, and led to her bunkmates rescuing her during a death march. When their camp was finally liberated, Edith was pulled from a pile of bodies, barely alive. In *The Choice*, Dr Edith Eger shares her experience of the Holocaust and the remarkable stories of those she has helped ever since. Today, she is an internationally acclaimed psychologist whose patients include survivors of abuse and soldiers suffering from PTSD. She explains how many of us live within a mind that has become a prison, and shows how freedom becomes possible once we confront our suffering. Like Viktor Frankl's *Man's Search for Meaning*, *The Choice* is life changing. Warm, compassionate and infinitely wise, it is a profound examination of the human spirit, and our capacity to heal.

The Gift

12 Lessons to Save Your Life *Rider*

The prison is in your mind. The key is in your pocket. In the end, it's not what happens to us that matters most - it's what we choose to do with it. We all face suffering - sadness, loss, despair, fear, anxiety, failure. But we also have a choice; to give in and give up in the face of trauma or difficulties, or to live every moment as a gift. Celebrated therapist and Holocaust survivor, Dr Edith Eger, provides a hands-on guide that gently encourages us to change the imprisoning thoughts and destructive behaviours that may be holding us back. Accompanied by stories from Eger's own life and the lives of her patients her empowering lessons help you to see

your darkest moments as your greatest teachers and find freedom through the strength that lies within.

A Play for the End of the World *Knopf*

"The story of a turbulent, unlikely romance, a harrowing account of the lasting horrors of the Second World War, and a searing examination of one man's search for forgiveness and acceptance"--

Survivor Café

The Legacy of Trauma and the Labyrinth of Memory *Catapult*

Named a Best Book of the Year by The San Francisco Chronicle "Survivor Café...feels like the book Rosner was born to write. Each page is imbued with urgency, with sincerity, with heartache,

with heart.... Her words, alongside the words of other survivors of atrocity and their descendants across the globe, can help us build a more humane world." —San Francisco Chronicle

As firsthand survivors of many of the twentieth century's most monumental events—the Holocaust, Hiroshima, the Killing Fields—begin to pass away, *Survivor Café* addresses urgent questions: How do we carry those stories forward? How do we collectively ensure that the horrors of the past are not forgotten? Elizabeth Rosner organizes her book around three trips with her father to Buchenwald concentration camp—in 1983, in 1995, and in 2015—each journey an experience in which personal history confronts both commemoration and memorialization. She explores the

echoes of similar legacies among descendants of African American slaves, descendants of Cambodian survivors of the Killing Fields, descendants of survivors of the bombing of Hiroshima and Nagasaki, and the effects of 9/11 on the general population. Examining current brain research, Rosner depicts the efforts to understand the intergenerational inheritance of trauma, as well as the intricacies of remembrance in the aftermath of atrocity. *Survivor Café* becomes a lens for numerous constructs of memory—from museums and commemorative sites to national reconciliation projects to small-group cross-cultural encounters. Beyond preserving the firsthand testimonies of participants and witnesses, individuals

and societies must continually take responsibility for learning the painful lessons of the past in order to offer hope for the future. Survivor Café offers a clear-eyed sense of the enormity of our twenty-first-century human inheritance—not only among direct descendants of the Holocaust but also in the shape of our collective responsibility to learn from tragedy, and to keep the ever-changing conversations alive between the past and the present.

Confronting Black Jacobins

The U.S., the Haitian Revolution, and the Origins of the Dominican Republic *NYU Press*

The Haitian Revolution, the product of the first successful slave revolt, was

truly world-historic in its impact. When Haiti declared independence in 1804, the leading powers—France, Great Britain, and Spain—suffered an ignominious defeat and the New World was remade. The island revolution also had a profound impact on Haiti's mainland neighbor, the United States. Inspiring the enslaved and partisans of emancipation while striking terror throughout the Southern slaveocracy, it propelled the fledgling nation one step closer to civil war. Gerald Horne's path breaking new work explores the complex and often fraught relationship between the United States and the island of Hispaniola. Giving particular attention to the responses of African Americans, Horne surveys the reaction in the United States to the revolutionary process in the

nation that became Haiti, the splitting of the island in 1844, which led to the formation of the Dominican Republic, and the failed attempt by the United States to annex both in the 1870s. Drawing upon a rich collection of archival and other primary source materials, Horne deftly weaves together a disparate array of voices—world leaders and diplomats, slaveholders, white abolitionists, and the freedom fighters he terms Black Jacobins. Horne at once illuminates the tangled conflicts of the colonial powers, the commercial interests and imperial ambitions of U.S. elites, and the brutality and tenacity of the American slaveholding class, while never losing sight of the freedom struggles of Africans both on the island and on the mainland, which sought the

fulfillment of the emancipatory promise of 18th century republicanism.

Yes to Life

In Spite of Everything *Beacon Press*

Find hope even in these dark times with this rediscovered masterpiece, a companion to his international bestseller *Man's Search for Meaning*. Eleven months after he was liberated from the Nazi concentration camps, Viktor E. Frankl held a series of public lectures in Vienna. The psychiatrist, who would soon become world famous, explained his central thoughts on meaning, resilience, and the importance of embracing life even in the face of great adversity. Published here for the very first time in English, Frankl's words

resonate as strongly today—as the world faces a coronavirus pandemic, social isolation, and great economic uncertainty—as they did in 1946. He offers an insightful exploration of the maxim “Live as if you were living for the second time,” and he unfolds his basic conviction that every crisis contains opportunity. Despite the unspeakable horrors of the camps, Frankl learned from the strength of his fellow inmates that it is always possible to “say yes to life”—a profound and timeless lesson for us all.

The 48 Laws Of Power *Profile Books*

powerful principles that will transform you into the leader you always knew you could be. Learn to think like a SEAL, and take charge of your destiny at work, home and in life.

Change of Heart

A Novel *Simon and Schuster*

The acclaimed #1 New York Times bestselling author presents a spellbinding tale of a mother's tragic loss and one man's last chance at gaining salvation. Can we save ourselves, or do we rely on others to do it? Is what we believe always the truth? One moment June Nealon was happily looking forward to years full of laughter and adventure with her family, and the next, she was staring into a future that was as empty

as her heart. Now her life is a waiting game. Waiting for time to heal her wounds, waiting for justice. In short, waiting for a miracle to happen. For Shay Bourne, life holds no more surprises. The world has given him nothing, and he has nothing to offer the world. In a heartbeat, though, something happens that changes everything for him. Now, he has one last chance for salvation, and it lies with June's eleven-year-old daughter, Claire. But between Shay and Claire stretches an ocean of bitter regrets, past crimes, and the rage of a mother who has lost her child. Would you give up your vengeance against someone you hate if it meant saving someone you love? Would you want your dreams to come true if it meant granting your enemy's dying wish? Once again,

Jodi Picoult mesmerizes and enthralls readers with this story of redemption, justice, and love.

Hope in the Dark

Untold Histories, Wild Possibilities

Haymarket Books

"[A] landmark book . . . Solnit illustrates how the uprisings that begin on the streets can upend the status quo and topple authoritarian regimes" (Vice). A book as powerful and influential as Rebecca Solnit's *Men Explain Things to Me*, her *Hope in the Dark* was written to counter the despair of activists at a moment when they were focused on their losses and had turned their back to the victories behind them—and the unimaginable changes soon to come. In

it, she makes a radical case for hope as a commitment to act in a world whose future remains uncertain and unknowable. Drawing on her decades of activism and a wide reading of environmental, cultural, and political history, Solnit argues that radicals have a long, neglected history of transformative victories, that the positive consequences of our acts are not always immediately seen, directly knowable, or even measurable, and that pessimism and despair rest on an unwarranted confidence about what is going to happen next. Now, with a moving new introduction explaining how the book came about and a new afterword that helps teach us how to hope and act in our unnerving world, she brings a new illumination to the darkness

of our times in an unforgettable new edition of this classic book. "One of the best books of the 21st century." —The Guardian "No writer has better understood the mix of fear and possibility, peril and exuberance that's marked this new millennium." —Bill McKibben, New York Times—bestselling author of *Falter* "An elegant reminder that activist victories are easily forgotten, and that they often come in extremely unexpected, roundabout ways." —The New Yorker

The Lost Wife *Penguin*

Two young lovers in pre-war Prague are torn apart by the Nazi invasion only to meet up again decades later in New York City for another chance at romance in this novel from the author of the *The*

Last Van Gogh. Original. 75,000 first printing.

Biochemistry and Cell Biology of Ageing: Part I Biomedical Science *Springer*

This new volume in the Subcellular Biochemistry series will focus on the biochemistry and cellular biology of aging processes in human cells. The chapters will be written by experts in their respective fields and will focus on a number of the current key areas of research in subcellular aging research. Main topics for discussion are mitochondrial aging, protein homeostasis and aging and the genetic processes that are involved in aging. There will also be chapters that are dedicated to the study of the roles of a

variety of vitamins and minerals on aging and a number of other external factors (microbiological, ROS, inflammation, nutrition). This book will provide the reader with a state of the art overview of the subcellular aging field. This book will be published in cooperation with a second volume that will discuss the translation of the cell biology of aging to a more clinical setting and it is hoped that the combination of these two volumes will bring a deeper understanding of the links between the cell and the body during aging.

The Girl from Berlin

A Novel *St. Martin's Press*

In the newest novel from internationally-

bestselling author Ronald. H. Balson, Liam and Catherine come to the aid of an old friend and are drawn into a property dispute in Tuscany that unearths long-buried secrets. An old friend calls Catherine Lockhart and Liam Taggart to his famous Italian restaurant to enlist their help. His aunt is being evicted from her home in the Tuscan hills by a powerful corporation claiming they own the deeds, even though she can produce her own set of deeds to her land. Catherine and Liam's only clue is a bound handwritten manuscript, entirely in German, and hidden in its pages is a story long-forgotten... Ada Baumgarten was born in Berlin in 1918, at the end of the war. The daughter of an accomplished first-chair violinist in the prestigious Berlin Philharmonic, and

herself a violin prodigy, Ada's life was full of the rich culture of Berlin's interwar society. She formed a deep attachment to her childhood friend Kurt, but they were torn apart by the growing unrest as her Jewish family came under suspicion. As the tides of history turned, it was her extraordinary talent that would carry her through an unraveling society turned to war, and make her a target even as it saved her, allowing her to move to Bologna—though Italy was not the haven her family had hoped, and further heartache awaited. What became of Ada? How is she connected to the conflicting land deeds of a small Italian villa? As they dig through the layers of lies, corruption, and human evil, Catherine and Liam uncover an unfinished story of heart, redemption,

and hope—the ending of which is yet to be written. Don't miss Liam and Catherine's latest adventures in *The Girl from Berlin*!

Rena's Promise

A Story of Sisters in Auschwitz *Beacon Press*

"Based on an actual event that occurred during World War II, this heartbreaking

narrative poem about history, immortality, and the power of song is accompanied by magnificent full-color paintings by award-winning artist Mark Podwal. It is the evening before the holiday of Purim, and the Nazis have given the ghetto's leaders twenty-four hours to turn over ten Jews to be hung to "avenge" the deaths of the ten sons of Haman, the villain of the Purim story, which celebrates the triumph of the Jews of Persia over potential genocide some 2,400 years ago. If they refuse, the entire ghetto will be liquidated. The terrified leaders go to the ghetto's rabbi for advice; he tells them to return the next morning. Over the course of the night the rabbi calls up the spirits of rabbis from centuries past for advice; each is rendered speechless by what the

rabbi describes. The 18th century mystic and founder of Hasidism, the Ba'al Shem Tov, tries to intercede with God by singing a niggun, a wordless, joyful melody with the power to break the chains of evil, but his efforts end in failure. Then the beloved Rabbi Levi Yitzhak of Berdichev appears. There is only one possible response, he says. And the ghetto rabbi agrees. That evening, everyone in the ghetto is herded into the synagogue courtyard. When no one steps forward, they are informed that in an hour they will all be killed. How does one prepare to die? The question is laid before the ghetto rabbi, and he teaches them the song that the Ba'al Shem Tov taught him the night before. As their voices soar upward, they are joined by Jews from centuries past from all over

the world, all singing the Ba'al Shem Tov's niggun as the massacre begins. And as the souls of these men, women, and children rise to the heavens, their song continues, uninterrupted, to the end of time and beyond"--

The Escape Artist *Simon and Schuster*

A luminous new memoir from the author of the critically acclaimed national bestseller *After Long Silence*, *The Escape Artist* has been lauded by New York Times bestselling author Mary Karr as "beautifully written, honest, and psychologically astute. A must-read." In the tradition of Alison Bechdel's *Fun Home* and George Hodgman's *Bettyville*, Fremont writes with wit and candor about growing up in a household held together by a powerful glue: secrets. Her

parents, profoundly affected by their memories of the Holocaust, pass on to both Helen and her older sister a zealous determination to protect themselves from what they see as danger from the outside world. Fremont delves deeply into the family dynamic that produced such a startling devotion to secret keeping, beginning with the painful and unexpected discovery that she has been disinherited in her father's will. In scenes that are frank, moving, and often surprisingly funny, She writes about growing up in such an intemperate household, with parents who pretended to be Catholics but were really Jews—and survivors of Nazi-occupied Poland. She shares tales of family therapy sessions, disordered eating, her sister's frequently unhinged meltdowns,

and her own romantic misadventures as she tries to sort out her sexual identity. Searching, poignant, and ultimately redemptive, *The Escape Artist* is a powerful contribution to the memoir shelf.

Carl Philipp Emanuel Bach

A Guide to Research *Psychology Press*

Although he is the son of J. S. Bach, C. P. E. Bach is an important composer in his own right, this long-awaited annotated bibliography presents a complete listing of the works of C. P. E. Bach. This volume in the Routledge Music Bibliographies series includes many different aspects of his work: the editing of his father's masterpieces, his concertos and sonatas and theoretical

essays. Doris Powers also collects writings that consider C. P. E. Bach's influence, the reception of his works and the cultural milieu in which Bach composed.

Careers for Women

A Novel *Little, Brown*

New York in the late 1950s. A city, and a world, on the cusp of change . . . Maggie Gleason is looking toward the future. Part of a midcentury wave of young women seeking new lives in New York City, Maggie works for legendary Port Authority public relations maven Lee K.

Jaffe -- affectionately known to her loyal staff as Mrs. J. Having left Cleveland, Maggie has come to believe that she can write any story for herself that she imagines. Pauline Moreau is running from the past -- and a shameful secret. She arrives in the city on the brink of despair, saddled with a young daughter who needs more love, attention, and resources than Pauline can ever hope to provide. Seeing that Pauline needs a helping hand, Mrs. J tasks Maggie with befriending, and looking after, Pauline. As the old New York gives way to the new, and Mrs. J's dream of the world's largest skyscraper begins to rise from the streets of lower Manhattan, Pauline - - with the aid of Maggie and Mrs. J -- also remakes herself. But when she reignites the scandal that drove her to New York,

none of their lives will ever be the same. Maggie must question everything she thought she knew about love, work, ambition, and family to discover the truth about the enigmatic, strong woman she thought she had rescued. *Careers for Women* is a masterful novel about the difficulties of building a career, a dream, or a life -- and about the powerful small mercies of friendship and compassion.

It's. Nice. Outside.

A Novel *St. Martin's Press*

Meet John Nichols. He's 50-something years old, an ex-basketball player, ex-author, ex-philanderer, ex-husband, ex-high school English teacher. And he's father to three: two overachieving adult daughters, and 19 year-old Ethan, who will never be an adult. John's oldest daughter is getting married, and as the whole family travels from their homes in New York and the Chicago area, John is secretly preparing for a life-change that

will alter his family's hearts forever. In this laugh-out-loud, heartbreaking, generous family novel, Jim Kokoris returns to the heartfelt writing of *The Rich Part of Life*. It's *Nice Outside* explores that universal tension between being a parent and keeping true to yourself.

Ulysses *BEYOND BOOKS HUB*

ULYSSES James Joyce's novel *Ulysses* is said to be one of the most important works in Modernist literature. It details Leopold Bloom's passage through Dublin on an ordinary day: June 16, 1904. Causing controversy, obscenity trials and heated debates, *Ulysses* is a pioneering work that brims with puns, parodies, allusions, stream-of-consciousness writing and clever structuring. Modern

Library ranked it as number one on its list of the twentieth century's 100 greatest English-language novels and Martin Amis called it one of the greatest novels ever written. **ULYSSES** *Ulysses* is a modernist novel by Irish writer James Joyce. It is considered to be one of the most important works of modernist literature, and has been called "a demonstration and summation of the entire movement". *Ulysses* chronicles the peripatetic appointments and encounters of Leopold Bloom in Dublin in the course of an ordinary day, 16 June 1904. *Ulysses* is the Latinised name of Odysseus, the hero of Homer's epic poem *Odyssey*, and the novel establishes a series of parallels between its characters and events and those of the poem (the correspondence of

Leopold Bloom to Odysseus, Molly Bloom to Penelope, and Stephen Dedalus to Telemachus). Joyce divided *Ulysses* into 18 chapters or "episodes". At first glance much of the book may appear unstructured and chaotic; Joyce once said that he had "put in so many enigmas and puzzles that it will keep the professors busy for centuries arguing over what I meant", which would earn the novel "immortality". James Joyce (1882-1941) was an Irish novelist and poet, considered to be one of the most influential writers in the modernist avant-garde of the early 20th century. Joyce is best known for *Ulysses*, the short-story collection *Dubliners*, and the novels *A Portrait of the Artist as a Young Man* and *Finnegans Wake*. *ULYSSES* As the day begins, Stephen Dedalus is

displeased with his friend and remains aloof. A little later, he teaches history at Garrett Deasy's boys' school. *ULYSSES* Leopold Bloom begins his day by preparing breakfast for his wife, Molly Bloom. He serves it to her in bed along with the mail. *ULYSSES* As their day unfolds, Joyce paints for us a picture of not only what's happening outside but also what's happening inside their minds. *ULYSSES* Drawing on the characters, motifs and symbols of Homer's *Odyssey*, James Joyce's *Ulysses* is a remarkable modernist novel. It has lived through various criticisms and controversies and has undergone several theatre, film and television adaptations. It continues to remain a literary masterpiece. *ULYSSES*

21 Letters on Life and Its Challenges

Hutchinson

Charles Handy is one of the giants of contemporary thought. His books on management - including *Understanding Organizations* and *Gods of Management* - have changed the way we view business. His work on broader issues and trends - such as *Beyond Certainty* and *The Second Curve* - has changed the way we view society. In his new book, Handy builds on a life's work to glimpse into the future and see what challenges and opportunities the next generation faces. How will people cope with change in a world where the old certainties no longer apply? What goals will and should they set themselves? How will they find purpose and fulfilment in their lives? Clear-eyed and optimistic by turns, he

sets out the questions that everyone needs to ask themselves, and points us in the direction of the answers.

Inland Fisheries

Ecology and Management *John Wiley & Sons*

The current high demand for fish and increased awareness of the role of the environment in supporting human well being has led to a situation where attitudes to inland water resources are changing rapidly. Trends in resource use and environmental impact are very evident in inland waters which are particularly vulnerable as they act as collectors of all the activities occurring in their basins and rank as some of the most endangered ecosystems in the

world. The principle changes influencing the evolution of the aquatic resource for fisheries are described in this book, which has been compiled for the Food and Agriculture Organization of the United Nations.

The Scaffold Effect

Raising Resilient, Self-Reliant, and Secure Kids in an Age of Anxiety

Harmony

"In Scaffold Parenting, world-renowned child psychiatrist Harold Koplewicz introduces the powerful new and clinically-tested idea that this deliberate build-up and then gradual loosening of parental support is the single most

effective way to encourage kids to climb higher, try new things and grow from mistakes, and to develop character and strength. Offering the ten building blocks or "planks" of an effective scaffold--from laying a solid foundation and setting limits and minimizing cracks--he expertly guides parents through the strategies they need to raise empowered, capable kids while building parent-child bonds that will survive adolescence and grow stronger into adulthood"--

Our Country Friends

A Novel *Random House*

NEW YORK TIMES BESTSELLER • GOOD MORNING AMERICA BUZZ PICK • ONE OF THE BEST BOOKS OF THE YEAR: The New York Times Book Review, Financial

Times, The Washington Post, Time, Los Angeles Times, New York Post, Town & Country, Good Housekeeping, Kirkus Reviews “A perfect novel for these times and all times, the single textual artifact from the pandemic era I would place in a time capsule as a representation of all that is good and true and beautiful about literature.”—Molly Young, The New York Times Eight friends, one country house, and six months in isolation—a novel about love, friendship, family, and betrayal hailed as a “virtuoso performance” (USA Today) and “an homage to Chekhov with four romances and a finale that will break your heart” (The Washington Post) In the rolling hills of upstate New York, a group of friends and friends-of-friends gathers in a country house to wait out the pandemic.

Over the next six months, new friendships and romances will take hold, while old betrayals will emerge, forcing each character to reevaluate whom they love and what matters most. The unlikely cast of characters includes a Russian-born novelist; his Russian-born psychiatrist wife; their precocious child obsessed with K-pop; a struggling Indian American writer; a wildly successful Korean American app developer; a global dandy with three passports; a Southern flamethrower of an essayist; and a movie star, the Actor, whose arrival upsets the equilibrium of this chosen family. Both elegiac and very, very funny, *Our Country Friends* is the most ambitious book yet by the author of the beloved bestseller *Super Sad True Love Story*.

Great Society

A New History *HarperCollins*

The New York Times bestselling author of *The Forgotten Man* and *Coolidge* offers a stunning revision of our last

great period of idealism, the 1960s, with burning relevance for our contemporary challenges. "Great Society is accurate history that reads like a novel, covering the high hopes and catastrophic missteps of our well-meaning leaders." —Alan Greenspan Today, a battle rages in our country. Many Americans are attracted to socialism and economic redistribution while opponents of those ideas argue for purer capitalism. In the 1960s, Americans sought the same goals many seek now: an end to poverty, higher standards of living for the middle class, a better environment and more access to health care and education. Then, too, we debated socialism and capitalism, public sector reform versus private sector advancement. Time and again, whether under John F. Kennedy,

Lyndon Johnson, or Richard Nixon, the country chose the public sector. Yet the targets of our idealism proved elusive. What's more, Johnson's and Nixon's programs shackled millions of families in permanent government dependence. Ironically, Shlaes argues, the costs of entitlement commitments made a half century ago preclude the very reforms that Americans will need in coming decades. In *Great Society*, Shlaes offers a powerful companion to her legendary history of the 1930s, *The Forgotten Man*, and shows that in fact there was scant difference between two presidents we consider opposites: Johnson and Nixon. Just as technocratic military planning by "the Best and the Brightest" made failure in Vietnam inevitable, so planning by a team of the domestic best and

brightest guaranteed fiasco at home. At once history and biography, *Great Society* sketches moving portraits of the characters in this transformative period, from U.S. Presidents to the visionary UAW leader Walter Reuther, the founders of Intel, and Federal Reserve chairmen William McChesney Martin and Arthur Burns. *Great Society* casts new light on other figures too, from Ronald Reagan, then governor of California, to the socialist Michael Harrington and the protest movement leader Tom Hayden. Drawing on her classic economic expertise and deep historical knowledge, Shlaes upends the traditional narrative of the era, providing a damning indictment of the consequences of thoughtless idealism with striking relevance for today. *Great Society*

captures a dramatic contest with lessons both dark and bright for our own time.
