Mindfulness-based Eating Awareness Training Program ...

Spring 2014. Mindful eating is a way of eating that can create a whole new relationship with food. It provides us with an opportunity to pay close attention to the wisdom of our bodies as opposed to the judgmental, harsh and simultaneously demanding, insatiable voice in our head. It grants us space to calm ourselves as we prepare a meal and again before we begin to eat so we can be totally present for the experience.
