Cosimo De Medici And The

Cosimo di Giovanni de' Medici, called "the Elder" and posthumously "Father of the Fatherland", was an Italian banker and politician, the first member of the Medici family which effectively ruled Florence during much of the Italian Renaissance. Despite his influence, his power was not absolute; Florence's legislative councils at times resisted his proposals throughout his life, and he was viewed as first among equals, rather than an autocrat. His power derived from his wealth as a banker, and he
