Transitional justice consists of judicial and non-judicial measures implemented in order to redress legacies of human rights abuses. Such measures "include criminal prosecutions, truth commissions, reparations programs, and various kinds of institutional reforms". Transitional justice is enacted at a point of political transition from violence and repression to societal stability and it is informed by a society’s desire to rebuild social trust, repair a fractured justice system, and build ...

Transitional justice - Wikipedia

Transitional justice asks the most difficult questions imaginable about law and politics. By putting victims and their dignity first, it signals the way forward for a renewed commitment to make sure ordinary citizens are safe in their own countries – safe from the abuses of their own authorities and effectively protected from violations by others.

What is Transitional Justice? | ICTJ

A central strand of transitional justice relied on a positive assessment of liberal democracy, not least for its anticipated stability, bolstered by the rule of law. The transitions in question were away from human rights violations under authoritarian rule and toward a just future in a liberal democracy.

Transitional Justice - Book Series - Routledge & CRC Press

'This book charts the way forward for studies at the boundaries of law and politics. Not only does it present detailed research on the case of Sierra Leone, but it also tackles the somewhat amorphous notion of transitional justice itself, bringing together different and sometimes competing perspectives and presenting a framework for evaluating transitional justice in other contexts.
