Health and safety training - HSE

Health workforce education and training. The Global Strategy on Human Resources for Health and the report of the High-Level Commission on Health Employment and Economic Growth evidence a growing mismatch between supply, need (SDG-based) and demand (ability to employ) resulting in skills and staff shortages, even in high-income countries. Shortages are driven both by the demographic and epidemiological transitions facing countries and by the ambition of UHC and integrated, people-centred ...
