The novel Blue at the Mizzen is the twentieth and last completed historical novel in the Aubrey-Maturin series by Patrick O'Brian, first published in 1999. It is set after the Napoleonic wars, in the fight for Chilean independence from Spain. Aubrey and Maturin, having heard the details of Napoleon's defeat at Waterloo and having collected their share of the prize from their last capture, set sail for the dual mission of charting the Chilean coast and aiding those who seek independence from Spai

As Aubrey and Maturin slow down with age, so do their adventures. And yet regardless of the slackening of excitement and intrigue - elements so prevalent in most of the prior books - I still found Blue at the Mizzen enjoyable, partly because I'm so comfortably familiar with the characters and partly because of the beautifully crafted prose. However, if this had been the first O'Brian book I'd ever read, its uneventfulness might have made me shy away from his work.
