One of the problems with finding blank music writing paper online is that lots of it has very black staff lines. This makes it very difficult to see the notes you have written on top of them, especially if you have written in pencil. Blank music paper you buy in shops tends to have thin, light, blue-grey lines to make it easier to read the dots when you have put them on the staff. I have created the manuscript paper in various different sizes and formats so you can choose whichever is most ...
