Skoda Superb Manual Vs Automatic

Skoda Superb comes with both automatic and manual transmission with equal advantages and disadvantages which makes it impossible to come to any conclusion. If the driver is fun loving and wants to get a feel of the tradition, manual is the best option for them. If the customer is prone to easy driving, hassle-free ones with no gear shift issues, seeking for longer rpm, then automatic transmission is the best choice for him.

As for DSG vs manual, I would go DSG any time (or any auto for that matter). Superb is not a proper drivers car. Manual would just stand in way of enjoying eating up miles in it DSG coupled with ACC is just sublime! If you have Lane Assist, you basically don't need to drive the car at all when in queues.
