The Mindfulness and Acceptance Workbook for Anxiety

A Guide to Breaking Free from Anxiety, Phobias, and Worry Using Acceptance and Commitment Therapy

The first edition of the award-winning" The Mindfulness and Acceptance Workbook for Anxiety" introduced countless readers to the concept of mindfulness, and has successfully helped many people manage worry, fear, and panic so they can live a better life. This fully revised and updated second edition of the best-selling and innovative workbook offers readers compelling new acceptance and commitment therapy (ACT) exercises to help them finally conquer their anxiety.

The Mindfulness and Acceptance Workbook for Anxiety

A Guide to Breaking Free from Anxiety, Phobias, and Worry Using Acceptance and Commitment Therapy New Harbinger Publications

Is anxiety and fear a problem for you? Have you tried to win the war with your anxious mind and body, only to end up feeling frustrated, powerless, and stuck? If so, you're not alone. But there is a way forward, a path into genuine happiness, and a way back into living the kind of life you so desperately want. This workbook will help you get started on this new journey today! Now in its second edition, The Mindfulness and Acceptance Workbook for Anxiety offers a new approach to your anxiety, fears, and your life. Within its pages, you'll find a powerful and tested set of tools and strategies to help you gain freedom from fear, trauma, worry, and all the many manifestations of anxiety and fear. The book offers an empowering approach to help you create the kind of life you so desperately want to live. Based on a revolutionary approach to psychological health and wellness called acceptance and commitment therapy (ACT), this fully revised and updated second edition offers compelling new exercises to help you create the conditions for your own genuine happiness and peace of mind. You'll learn how your mind can trap you, keeping you stuck and struggling in anxiety and fear. You'll also discover ways to nurture your capacity for acceptance, mindfulness, kindness, and compassion, and use these qualities to weaken the power of anxiety and fear so that you can gain the space do what truly matters to you. Now is the time. Nobody chooses anxiety. And there is no healthy way to "turn off" anxious thoughts and feelings like a light switch. But you can learn to break free from the shackles of anxiety and fear and take back your life. The purpose of this workbook is to help you do just that. Your life is calling on you to make that choice, and the skills in this workbook can help you make it happen. You can live better, more fully, and more richly with or without anxiety and fear. This book will show you the way. -- Recent studies support for the effectiveness of ACT-based self-help workbooks as a low-cost treatment for people experiencing anxiety. (Ritzert, T., Forsyth, J. P., Berghoff, C. R., Boswell, J., & Eifert, G. H. (2016). Evaluating the effectiveness of ACT for anxiety disorders in a self-help context: Outcomes from a randomized wait-list controlled trial. Behavior Therapy, 47, 431-572.)

The Mindfulness and Acceptance Workbook for Social Anxiety and Shyness

Using Acceptance and Commitment Therapy to Free Yourself from Fear and Reclaim Your Life New Harbinger Publications

Shyness is a common problem that comes with a high price. If you suffer from shyness or social anxiety you might avoid social situations and may have trouble connecting with others due to an extreme fear of humiliation, rejection, and judgment. As a shy person, you may also experience panic attacks that make it even more likely that you'll avoid social situations. With The Mindfulness and Acceptance Workbook for Social Anxiety and Shyness, the authors' acceptance and commitment therapy (ACT) program for overcoming shyness has become available to the public for the first time. This program has been found to be highly effective in research studies for the treatment of social anxiety disorder and related subclinical levels of shyness. In the first section, you will confront performance fears, test anxiety, shy bladder, and interpersonal fears—fundamental symptoms of social anxiety. The second part helps you learn psychological flexibility to improve your ability to accept the feelings, thoughts, and behavior that may arise as you learn to work past your anxiety. By keeping your values front and center, you will gradually learn to move beyond your fears and toward greater social confidence. This book has been awarded The Association for Behavioral and Cognitive Therapies Self-Help Seal of Merit — an award bestowed on outstanding self-help books that are consistent with cognitive behavioral therapy (CBT) principles and that incorporate scientifically tested strategies for overcoming mental health difficulties. Used alone or in conjunction with therapy, our books offer powerful tools readers can use to jump-start changes in their lives.

The Mindfulness and Acceptance Workbook for Anxiety

A Guide to Breaking Free from Anxiety, Phobias, and Worry Using Acceptance and Commitment Therapy New Harbinger Publications

Attempts to manage your thoughts or get rid of worry, fear, and panic can leave you feeling frustrated and powerless. But you can take back your life from anxiety without controlling anxious thoughts and feelings. You can stop avoiding anxiety and start showing up to your life. The Mindfulness & Acceptance Workbook for Anxiety will get you started, using a revolutionary new approach called acceptance and commitment therapy, or ACT. The book has one purpose: to help you live better, more fully, more richly. Your life is calling on you to make that choice, and the skills in this workbook can help you make it happen. Find out how your mind can trap you, keeping you stuck and struggling in anxiety and fear. Learn to nurture your capacity for acceptance, mindfulness, kindness, and compassion. Use these qualities to shift your focus away from anxiety and onto what you really want your life to be about. As you do, your life will get bigger as your anxious suffering gets smaller. No matter what kind of anxiety problem you're struggling with, this workbook can guide you toward a more vibrant and purposeful life. Includes a CD with bonus worksheets, self-assessments, and guided mindfulness meditations. Used alone or in conjunction with therapy, our books offer powerful tools readers can use to jump-start changes in their lives.

The Mindfulness and Acceptance Workbook for Depression

Using Acceptance and Commitment Therapy to Move Through Depression and Create a Life Worth Living ReadHowYouWant.com

There are hundreds of books that will try to help you overcome or put an end to depression. But what if you could use your depression to change your life for the better? Your symptoms may be signals that something in your life needs to change. Learning to understand and interpret these signals is much more important than ignoring or avoi...

The Mindfulness and Acceptance Workbook for Teen Anxiety

Activities to Help You Overcome Fears and Worries Using Acceptance and Commitment Therapy New Harbinger Publications

Move past anxiety and discover what really matters to you. Written by three experts in teen mental health, this powerful workbook offers evidence-based activities grounded in acceptance and commitment therapy (ACT) to help you cope with anxiety, build resilience, stop avoiding the things you fear, and lead a fuller, happier life. Anxiety is what we feel when we're scared about some future event that may or may not happen. When you're struggling with anxiety your mind is trying to protect you from danger, so it's busy telling you about all the things you can't do. Along with these thoughts come a host of feelings and bodily sensations—such as sweaty palms, restlessness, lightheadedness, and stomach aches. But it's not the anxious thoughts that make anxiety a problem. It's the actions we take, or don't take, as a result of these thoughts. In The Mindfulness and Acceptance Workbook for Teen Anxiety, you'll find helpful alternatives to the ineffective strategies and habits you're currently using to deal with anxiety, such as avoidance. You'll find basic information about anxiety to help you recognize what it looks and feels like, mindfulness tips to help you stay in the moment when you feel worried about the future, and tips to help you connect with your own values so you can start putting the important things in life first.

The Mindfulness and Acceptance Workbook for Stress Reduction

Using Acceptance and Commitment Therapy to Manage Stress, Build Resilience, and Create the Life You Want

Stress is a part of life—but it doesn't have to take over your life. This evidence-based workbook offers readers a powerful ten-week program for stress management drawing on the latest research in acceptance and commitment therapy (ACT) and mindfulness. Using the strategies outlined in this

guide, readers will learn skills to promote a healthy acceptance of feelings, thoughts, and behaviors, cultivate self-compassion, develop positive physical and emotional habits, build resilience, discover their deepest values, and live a more vital life.

The Mindfulness and Acceptance Workbook for Stress Reduction

Using Acceptance and Commitment Therapy to Manage Stress, Build Resilience, and Create the Life You Want *New Harbinger Publications*

Stress is a part of life—but it doesn’t have to take over your life. With this guide, you’ll develop the skills needed to help you manage difficult emotions, cultivate self-compassion, adopt positive physical and emotional habits, build resilience, and connect with your true values. Everyone experiences stress. From the moment we wake up in the morning to the moment we finally settle into bed at night, our days are packed with stressful moments—some big and some small—that can quickly add up and feel overwhelming. Unfortunately, you can’t escape stress. But you can change the way you relate to it. This important workbook will show you how. Written by internationally renowned ACT experts, The Mindfulness and Acceptance Workbook for Stress Reduction offers a powerful ten-week program for stress management drawing on the latest research in acceptance and commitment therapy (ACT) and mindfulness. You’ll gain a better understanding of what stress really is, how it affects the brain and body, and what you can do to manage and reduce stress in your life. You’ll discover how to build resilience and set smart, effective personal goals that align with your values. And finally, you’ll learn to be more aware of how you deal with stress in the moment. Stress is an unavoidable side effect of being human in today’s fast-paced world. But with this workbook, you’ll build the skills necessary to keep stress in its place and live a more vital life!

The Mindfulness and Acceptance Workbook for Bulimia

A Guide to Breaking Free from Bulimia Using Acceptance and Commitment Therapy *New Harbinger Publications*

If you have bulimia, you know what it's like to be locked in a battle with your body-and you know that whether you're trying to lose weight or struggling to end the bingeing and purging cycle, the same old fears and self-doubts keep coming back. The approach to moving beyond bulimia in The Mindfulness and Acceptance Workbook for Bulimia is different than other treatments you may have tried. Instead of encouraging you to avoid or fight against the conflicted feelings you have about food and your body, this workbook invites you to welcome and accept your deepest fears, learn to live with them, and put the things that are really important in your life first. Easier said than done? Definitely. But with this plan based in acceptance and commitment therapy, a proven-effective therapeutic solution to bulimia and other conditions, you'll develop the powerful psychological skills you need to move past bulimia and toward a more fulfilling way of life. The worksheets, exercises, and questionnaires in this book will help you: Determine the risks of continuing the bulimia cycle Identify the experiences and relationships that matter to you most Practice present-moment awareness Learn to accept your thoughts, feelings, and experiences as they come Recommit to living according to your deepest values

The Mindfulness and Acceptance Workbook for Self-Esteem

Using Acceptance and Commitment Therapy to Move Beyond Negative Self-Talk and Embrace Self-Compassion *New Harbinger Publications*

You are more than you think. With this evidence-based guide, you’ll learn to break free from the self-critical stories you’ve created about yourself, and develop the self-compassion and self-acceptance you need to reach your full potential. We all have stories we’ve created about ourselves—some of them positive and some of them negative. If you suffer from low self-esteem, your story may include these types of narratives: “I’m a failure,” “I’ll never be able to do that,” or “If only I were smarter or more attractive, I could be happy.” Ironically, at the end of the day, these narratives are your biggest roadblocks to achieving happiness and living the life you deserve. So, how can you break free from these stories—once and for all? Grounded in evidence-based acceptance and commitment therapy (ACT), this workbook offers a step-by-step program to help you break free from self-doubt, learn to accept yourself and your faults, identify and cultivate your strengths, and reach your full potential. You’ll also discover ways to take action and move toward the life you truly want, even when these actions trigger self-doubt. Finally, you’ll learn to see yourself in all your complexity, with kindness and compassion.

The Mindfulness and Acceptance Workbook for Depression

Using Acceptance and Commitment Therapy to Move Through Depression and Create a Life Worth Living *New Harbinger Publications*

What if depression could lead to positive change? Written by acceptance and commitment therapy (ACT) cofounder Kirk Strosahl and Patricia Robinson, this fully revised and updated edition of best-selling classic, "The Mindfulness and Acceptance Workbook for Depression" includes updated exercises based in breakthrough research on self-compassion, mindfulness, and neuroscience to help readers work through their depression rather than avoid it and go on to create a more meaningful life."

The Mindfulness and Acceptance Workbook for Teen Anxiety

Activities to Help You Overcome Fears and Worries Using Acceptance and Commitment Therapy *Instant Help Books*

Teens often try to avoid the things that make them anxious; but avoidance can actually make anxiety worse, and get in the way of reaching goals and living full lives. Written by three experts in teen mental health, this powerful workbook offers proven-effective activities grounded in acceptance and

commitment therapy (ACT) to help teens cope with anxiety, build resilience, discover what really matters to them, and lead fuller, more flexible lives.

Acceptance and Commitment Therapy for Anxiety Disorders

A Practitioner's Treatment Guide to Using Mindfulness, Acceptance, and Values-Based Behavior Change *New Harbinger Publications*

Acceptance and commitment therapy, or ACT (pronounced as a word rather than letters), is an emerging psychotherapeutic technique first developed into a complete system in the book Acceptance and Commitment Therapy by Steven Hayes, Kirk Strosahl, and Kelly Wilson. ACT marks what some call a third wave in behavior therapy. To understand what this means, it helps to know that the first wave refers to traditional behavior therapy, which works to replace harmful behaviors with constructive ones through a learning principle called conditioning. Cognitive therapy, the second wave of behavior therapy, seeks to change problem behaviors by changing the thoughts that cause and perpetuate them. In the third wave, behavior therapists have begun to explore traditionally nonclinical treatment techniques like acceptance, mindfulness, cognitive defusion, dialectics, values, spirituality, and relationship development. These therapies reexamine the causes and diagnoses of psychological problems, the treatment goals of psychotherapy, and even the definition of mental illness itself. ACT earns its place in the third wave by reevaluating the traditional assumptions and goals of psychotherapy. The theoretical literature on which ACT is based questions our basic understanding of mental illness. It argues that the static condition of even mentally healthy individuals is one of suffering and struggle, so our grounds for calling one behavior 'normal' and another 'disordered' are murky at best. Instead of focusing on diagnosis and symptom etiology as a foundation for treatment-a traditional approach that implies, at least on some level, that there is something 'wrong' with the client-ACT therapists begin treatment by encouraging the client to accept without judgment the circumstances of his or her life as they are. Then therapists guide clients through a process of identifying a set of core values. The focus of therapy thereafter is making short and long term commitments to act in ways that affirm and further this set of values. Generally, the issue of diagnosing and treating a specific mental illness is set aside; in therapy, healing comes as a result of living a value-driven life rather than controlling or eradicating a particular set of symptoms. Emerging therapies like ACT are absolutely the most current clinical techniques available to therapists. They are quickly becoming the focus of major clinical conferences, publications, and research. More importantly, these therapies represent an exciting advance in the treatment of mental illness and, therefore, a real opportunity to alleviate suffering and improve people's lives. Not surprisingly, many therapists are eager to include ACT in their practices. ACT is well supported by theoretical publications and clinical research; what it has lacked, until the publication of this book, is a practical guide showing therapists exactly how to put these powerful new techniques to work for their own clients. Acceptance and Commitment Therapy for Anxiety Disorders adapts the principles of ACT into practical, step-by-step clinical methods that therapists can easily integrate into their practices. The book focuses on the broad class of anxiety disorders, the most common group of mental illnesses, which includes general anxiety, panic disorder, phobias, obsessive-compulsive disorder, and post-traumatic stress disorder. Written with therapists in mind, this book is easy to navigate, allowing busy professionals to find the information they need when they need it. It includes detailed examples of individual therapy sessions as well as many worksheets and exercises, the very important 'homework' clients do at home to reinforce work they do in the office. The book comes with a CD-ROM that includes electronic versions of all of the worksheets in the book as well as PowerPoint and audio features that make learning and teaching these techniques easy and engagin

Acceptance and Commitment Therapy for Body Image Dissatisfaction

A Practitioner's Guide to Using Mindfulness, Acceptance, and Values-Based Behavior Change Strategies *New Harbinger Publications*

Despite ongoing criticism of strict beauty ideals, cosmetic surgeons and diet pill manufacturers continue to thrive and tolerance for body flaws seems to lessen every day. More and more people have begun to internalize a need for physical perfection. And the psychological distress that accompanies body image dissatisfaction leaves many individuals in a long-term struggle. Acceptance and Commitment Therapy for Body Image Dissatisfaction is a manual for practitioners seeking to help clients let go of self-judgment and preoccupation with body image. Mindfulness and acceptance approaches target the underlying anxiety and perfectionism that keep many trapped in destructive relationships with their bodies. This book presents a clear plan for showing clients how to clarify their values to help broaden their lives and refocus on what is most meaningful and vital to them. It presents a clear ACT protocol, complete with sample scripts, therapy exercises, case studies, and worksheets, for treating body image dissatisfaction. You'll learn from a wide range of clinical examples of body image dissatisfaction, some of which explore manifestations in medical populations. The treatment protocol in this book can be effectively applied to both men and women, across a wide age range.

The Mindfulness Workbook for Anxiety

The 8-week Solution to Help You Manage Anxiety, Worry & Stress *Althea Press*

Quickly reduce your anxiety symptoms--and achieve lasting wellbeing--with the simple 8-week action plan in The Mindfulness Workbook for Anxiety. Current research has proven that mindfulness is an effective way to reduce and relieve anxiety. The Mindfulness Workbook for Anxiety delivers practical strategies for applying mindfulness to the daily events that cause anxiety and stress. From basic skills building to real-life application, The Mindfulness Workbook for Anxiety outlines simple techniques that are specially designed to replace anxiety with peace and wellbeing. Even those with no prior experience will find that the practical exercises outlined in The Mindfulness Workbook for Anxiety provide effective and lasting relief from the physical and emotional effects of anxiety. Presented in a straightforward, easy-to-navigate format, The Mindfulness Workbook for Anxiety offers: A well organized 8-week program for applying mindfulness to the root causes of your anxiety Clear day-by-day guidance outlining the structure for specific mindfulness techniques Simple activities designed to help you manage and decrease your anxiety symptoms Practicing mindfulness doesn't mean spending hours meditating. Even with a hectic schedule, finding relief from fear and worry is possible. With the practical 8-week

structure presented in The Mindfulness Workbook for Anxiety you'll quickly build the tools you need to free yourself of anxiety and live a healthy, mindful life.

Mindfulness and Acceptance

Expanding the Cognitive-Behavioral Tradition *Guilford Press*
This volume examines the role of mindfulness principles and practices in a range of well-established cognitive and behavioral treatment approaches. Leading scientist-practitioners describe how their respective modalities incorporate such nontraditional themes as mindfulness, acceptance, values, spirituality, being in relationship, focusing on the present moment, and emotional deepening. Coverage includes acceptance and commitment therapy, dialectical behavior therapy, mindfulness-based cognitive therapy, integrative behavioral couple therapy, behavioral activation, and functional analytic psychotherapy. In every chapter, the authors describe their clinical methods and goals, articulate their theoretical models, and examine similarities to and differences from other approaches both inside and outside behavior therapy.

The ACT Workbook for OCD

Mindfulness, Acceptance, and Exposure Skills to Live Well with Obsessive-Compulsive Disorder *New Harbinger Publications*
Stand up to your OCD! The ACT Workbook for OCD combines evidence-based acceptance and commitment therapy (ACT) with exposure and response prevention (ERP) for the most up-to-date, effective treatment for obsessive-compulsive disorder (OCD). If you're one of millions of people who suffer from OCD, you may experience obsessive, intrusive, or even disturbing thoughts. You may engage in compulsive or ritualistic behaviors, such as checking to make sure you've locked the front door, or endlessly washing your hands for fear of germs or contamination. And you may be tempted to give up if treatment just doesn't work for you. Whether you've just received a diagnosis, or have suffered for years, this workbook can help. Using the powerful and proven-effective treatments in this guide, you'll learn what type of OCD you suffer from (such as harm OCD), how to identify the underlying mechanisms of your OCD, move through triggering incidents while staying present and connected to your values, be more aware and flexible, tolerate uncertainty, and commit to behaviors that ultimately allow you to lead a full, rewarding life. Once you realize what really matters to you, you'll find the motivation needed to start on the path to psychological well-being. If you're ready to be courageous, take a risk, and stand up to your OCD symptoms, this workbook can help guide you, every step of the way.

The Mindfulness and Acceptance Workbook for Anxiety

A Guide to Breaking Free from Anxiety, Phobias and Worry Using Acceptance and Commitment Therapy *ReadHowYouWant.com*
Anxiety happens. It's not a choice. And attempts to manage your thoughts or get rid of worry, fear, and panic can leave you feeling frustrated and powerless. But you can take back your life from anxiety without controlling anxious thoughts and feelings. You can stop avoiding anxiety and start showing up to your life. The Mindfulness & Acceptance Workbook for Anxiety will get you started, using a revolutionary new approach called acceptance and commitment therapy, or ACT. The book has one purpose: to help you live better, more fully, more richly. Your life is calling on you to make that choice, and the skills in this workbook can help you make it happen. Find out how your mind can trap you, keeping you stuck and struggling in anxiety and fear. Learn to nurture your capacity for acceptance, mindfulness, kindness, and compassion. Use these qualities to shift your focus away from anxiety and onto what you really want your life to be about. As you do, your life will get bigger as your anxious suffering gets smaller. No matter what kind of anxiety problem you're struggling with, this workbook can guide you toward a more vibrant and purposeful life. This book presents a framework to orient you toward the rest of your life. You will be taken on a journey. Go. To uncouple from your anxious reactions to life, you will need to alter your consciousness. No small task! It takes a student's mind and a willingness to be coached. Fortunately, you will find these authors to be trustworthy and competent guides.

The Mindfulness Workbook

A Beginner's Guide to Overcoming Fear and Embracing Compassion *New Harbinger Publications*
Mindfulness is a powerful antidote to stress, anxiety and panic, chronic pain, depression, obsessive thinking, out-of-control emotions, and many other physical and mental health conditions. This ancient Buddhist technique can help anyone who struggles with fears, worries, and distractions refocus on the present moment and live happily, here and now. The Mindfulness Workbook is a step-by-step instruction book that guides you through simple practices that enable you to experience mindfulness not as a distant experience or concept, but as an attainable state of being in the world. You will discover the effectiveness of breath work, mindful eating, and thought-watching, and begin reaping the benefits of mindfulness right away. Over time, you will begin to notice that these small changes can bring about a bigger transformation, enhancing your sense of fulfillment and calm.

The ACT Workbook for Depression and Shame

Overcome Thoughts of Defectiveness and Increase Well-Being Using Acceptance and Commitment Therapy *New Harbinger Publications*
Conquer your self-defeating beliefs and create a more fulfilling life! Do you feel like you're broken? Are you depressed because you believe that you're somehow defective, unwanted, or inferior? Do you feel self-conscious and insecure, constantly comparing yourself to others? Are you sensitive to criticism, or terrified of rejection? Feeling flawed and inadequate often stems from negative childhood experiences. If you grew up in a highly

critical environment, you might feel unworthy of being loved, or have a deep sense of shame about your perceived defects. You may tell yourself there is something inherently wrong with you that prevents you from forming satisfying relationships, finding happiness, and succeeding in life. So, how can free yourself from the self-defeating beliefs that keep you trapped in the depths of depression? Grounded in evidence-based acceptance and commitment therapy (ACT), this workbook will give you the tools to identify and dismiss your core beliefs of personal defectiveness, and build a life based on positive choices and values that bring vitality and a sense of personal fulfillment. You'll discover ways to develop psychological flexibility, freeing yourself from old habits and unhealthy coping mechanisms, and alleviating symptoms of depression. Finally, you'll learn to see yourself in all your wonderful complexity, with kindness and compassion. The truth is you are not broken, and painful memories of the past do not have to dictate your future. If you're ready to heal and treat yourself to the care and compassion you deserve, this book will show you how.

The Mindfulness Workbook for OCD

A Guide to Overcoming Obsessions and Compulsions Using Mindfulness and Cognitive Behavioral Therapy *New Harbinger Publications*
If you have obsessive-compulsive disorder (OCD), you might have an irrational fear of being contaminated by germs, or obsessively double-check things. You may even feel like a prisoner, trapped with your intrusive thoughts. And while OCD can have a devastating impact on your life, getting real help can be a challenge. Combining mindfulness practices with cognitive-behavioral therapy (CBT), The Mindfulness Workbook for OCD offers practical and accessible tools for managing the unwanted thoughts and compulsive urges that are associated with OCD. With this workbook, you will develop present-moment awareness, learn to challenge your own distorted thinking, and stop treating thoughts as threats and feelings as facts. This fully revised and updated second edition also includes new meditations, information, and chapters on emotional and mental contamination, existential obsessions, false memories, and more. If you're ready to take back your life back from OCD—and start living with more joy in the moment—this workbook has everything you need to get started right away.

The Mindfulness and Acceptance Workbook for Self-Esteem

Using Acceptance and Commitment Therapy to Move Beyond Negative Self-Talk and Embrace Self-Compassion
When we break free from negative self-talk and embrace a more expansive view of ourselves, there's no limit to what we can accomplish. In The Mindfulness and Acceptance Workbook for Self-Esteem, two internationally renowned acceptance and commitment therapy (ACT) trainers help readers recognize how the self-critical stories they tell themselves can limit who they are. Using the evidence-based, practical skills in this workbook, readers will develop the self-compassion and self-acceptance they need to lead more fulfilling, values-based lives.

The Mindfulness and Acceptance Workbook for OCD

Integrating Acceptance and Commitment Therapy and Exposure and Response Prevention to Live Well with Obsessive Compulsive Disorder
The Mindfulness and Acceptance Workbook for OCD combines evidence-based acceptance and commitment therapy (ACT) with exposure and response prevention (ERP) for the most up-to-date, effective treatment for obsessive-compulsive disorder (OCD). With this workbook, readers who struggle with OCD will learn to identify the underlying mechanisms of their disorder, move through triggering incidents while staying present and connected to their values, tolerate uncertainty, and commit to behaviors that ultimately allow them to lead full, rewarding lives.

The Mindfulness and Acceptance Workbook for Bulimia

A Guide to Breaking Free from Bulimia Using Acceptance and Commitment Therapy *New Harbinger Publications*
Break the Bulimia Cycle with Mindfulness and Acceptance If you have bulimia, you know what it's like to be locked in a battle with your body-and you know that whether you're trying to lose weight or struggling to end the bingeing and purging cycle, the same old fears and self-doubts keep coming back. The approach to moving beyond bulimia in The Mindfulness and Acceptance Workbook for Bulimia is different than other treatments you may have tried. Instead of encouraging you to avoid or fight against the conflicted feelings you have about food and your body, this workbook invites you to welcome and accept your deepest fears, learn to live with them, and put the things that are really important in your life first. Easier said than done? Definitely. But with this plan based in acceptance and commitment therapy, a proven-effective therapeutic solution to bulimia and other conditions, you'll develop the powerful psychological skills you need to move past bulimia and toward a more fulfilling way of life. The worksheets, exercises, and questionnaires in this book will help you: • Determine the risks of continuing the bulimia cycle • Identify the experiences and relationships that matter to you most • Practice present-moment awareness • Learn to accept your thoughts, feelings, and experiences as they come • Recommit to living according to your deepest values

The Mindful Way Workbook

An 8-Week Program to Free Yourself from Depression and Emotional Distress *Guilford Publications*
Imagine an 8-week program that can help you overcome depression, anxiety, and stress--by simply learning new ways to respond to your own thoughts and feelings. That program is mindfulness-based cognitive therapy (MBCT), and it has been tested and proven effective in clinical trials throughout the world. Now you can get the benefits of MBCT any time, any place, by working through this carefully constructed book. The expert

authors introduce specific mindfulness practices to try each week, plus reflection questions, tools for keeping track of progress, and helpful comments from others going through the program. Like a trusted map, this book guides you step by step along the path of change. Guided meditations are provided on the accompanying MP3 CD and are also available as audio downloads. Note: The MP3 CD can be played on CD players (only those marked "MP3-enabled") as well as on most computers. See also the authors' The Mindful Way through Depression, which demonstrates these proven strategies with in-depth stories and examples. Plus, mental health professionals, see also the authors' bestselling therapy guide: Mindfulness-Based Cognitive Therapy for Depression, Second Edition. Winner (Second Place)--American Journal of Nursing Book of the Year Award, Consumer Health Category ȳ

The Cognitive Behavioral Workbook for Depression

A Step-by-Step Program *New Harbinger Publications*
Cognitive behavioral therapy (CBT) is the most widely used treatment for depression for one simple reason: it works. The CBT program in this workbook has helped thousands of readers defeat the depressive thoughts and beliefs that keep them from enjoying life and feeling like themselves. Used alone or in conjunction with therapy, The Cognitive Behavioral Workbook for Depression delivers evidence-based tools you can confidently use to do better, feel better, and prevent depression from coming back. Through a series of worksheets and exercises, you'll evaluate your depression and learn key skills for overcoming it. Once you have your depression symptoms under control, you will appreciate the additional information on preventing relapse that is special to this new edition. This workbook also includes twenty-five bonus tips from depression experts that can jump-start your recovery. Recommended by therapists nationwide, this workbook will help you bounce back from depression, one solid step at a time. Includes worksheets and exercises that will help you: • Move past the negative beliefs about yourself that keep you trapped in the depression cycle • Apply behavioral techniques that therapists use with their clients, such as activity scheduling • Discover effective ways to cope with feelings of stress, anxiety, and anger • Avoid procrastinating and learn to anchor the positive changes you make to maintain your progress “Chock-full of the ready-to-use strategies you will need to help you feel good again.” —Jon Carlson, PsyD, EdD, Distinguished Professor at Governors State University

Worry Less, Live More

The Mindful Way through Anxiety Workbook *Guilford Publications*
Do you ever feel like you want more from your life--but get scared or overwhelmed by the idea of making changes? For many, worry, fear, or negativity are stumbling blocks that can be extraordinarily difficult to overcome. This effective workbook provides a blueprint to help you move through painful emotions without being ruled by them. Vivid stories of others who have struggled with anxiety are accompanied by meditation and acceptance practices and step-by-step exercises that build self-knowledge and self-compassion (you can download and print additional copies of the worksheets as needed). Armed with a deeper understanding of what you really value, you can break free of the common traps that leave people feeling stuck--and dare to live the life you really want. Audio downloads of the mindfulness practices, narrated by the authors, are provided at www.guilford.com/orsillo2-materials. See also the authors' Mindful Way through Anxiety, which explains mindfulness techniques in greater detail. Worry Less, Live More can be used on its own or as the perfect way to expand on and enhance the lessons of the first book using a step-by-step approach.

The Shyness and Social Anxiety Workbook

Proven, Step-by-Step Techniques for Overcoming Your Fear *ReadHowYouWant.com*
There's nothing wrong with being shy. But if social anxiety keeps you from forming relationships with others, advancing in your education or your career, or carrying on with everyday activities, you may need to confront your fears to live an enjoyable, satisfying life. This new edition of The Shyness and Social Anxiety Workbook offers a comprehensive program to help you do just that. As you complete the activities in this workbook, you'll learn to: Find your strengths and weaknesses with a self-evaluation ; Explore and examine your fears; Create a personalized plan for change; Put your plan into action through gentle and gradual exposure to social situations.... Information about therapy, medications, and other resources is also included. After completing this program, you'll be well-equipped to make connections with the people around you. Soon, you'll be on your way to enjoying all the benefits of being actively involved in the social world.

Mindfulness and Acceptance in Behavioral Medicine

Current Theory and Practice *New Harbinger Publications*
Clinicians and researchers working in the field of behavioral medicine are in a unique position to help patients access a range of mindfulness and acceptance-based treatment methods for preventing disease, managing symptoms, and promoting overall health. Evidence-based mindfulness approaches such as acceptance and commitment therapy (ACT) can form a critical component of treatment, helping patients become active partners in improving or maintaining their health and daily functioning. An essential resource every psychologist, psychiatrist, primary care physician, health care provider, and health educator should own, Mindfulness and Acceptance in Behavioral Medicinepresents a series of chapters that feature the latest findings on the efficacy of ACT and other mindfulness therapies for specific conditions and populations and guidance for introducing these therapies to patients. The book also includes information on integrating ACT with other therapeutic approaches and offers mindfulness and self-care principles health care professionals can use themselves to avoid burnout and improve patient outcomes. Chronic pain Epilepsy Obesity Diabetes

Smoking cessation Insomnia Cancer Terminal illness The Mindfulness and Acceptance Practica Series As mindfulness and acceptance-based therapies gain momentum in the field of mental health, it is increasingly important for professionals to understand the full range of their applications. To keep up with the growing demand for authoritative resources on these treatments, The Mindfulness and Acceptance Practica Series was created. These edited books cover a range of evidence-based treatments, such as acceptance and commitment therapy (ACT), cognitive behavioral therapy (CBT), compassion-focused therapy (CFT), dialectical behavioral therapy (DBT), and mindfulness-based stress reduction (MBSR) therapy. Incorporating new research in the field of psychology, these books are powerful tools for mental health clinicians, researchers, advanced students, and anyone interested in the growth of mindfulness and acceptance strategies.

The Mindfulness-Informed Educator

Building Acceptance and Psychological Flexibility in Higher Education *Routledge*
The Mindfulness-Informed Educator moves a growing body of evidence related to the efficacy of mindfulness- and acceptance-based approaches to the context of higher education, suggesting ways to foster psychological flexibility within and outside of the classroom. In the book, professionals across education and psychotherapy will find best practices for teaching, treating, researching, and serving their communities in ways that are sensitive to context, consistent with their values, and mindful of the diverse array of mental-health and behavioral difficulties experienced by college and university students. Chapters incorporate the most cutting-edge research across disciplines and span educational levels and contexts within higher education, provide strategies for strengthening mindfulness- and acceptance-based pedagogy and program development, and provide user-friendly supplemental materials such as transcripts and sample assignments.

Mindfulness and Acceptance for Addictive Behaviors

Applying Contextual CBT to Substance Abuse and Behavioral Addictions *New Harbinger Publications*
As a clinician or researcher in the field of mental health or addictions, this book will offer you powerful insight into how acceptance and mindfulness-based interventions are being successfully used to treat a variety of addictive behaviors, ranging from substance abuse to gambling addiction. Edited by Steven C. Hayes, a founder of acceptance and commitment therapy (ACT) and a world renowned authority on mindfulness-based therapy, Mindfulness and Acceptance for Addictive Behaviors features chapters by leading substance abuse and addiction researchers. Each article illuminates the mindfulness and acceptance-based treatments that work best for particular addictive behaviors, reviews empirical data, and discusses future directions for research and treatment applications. An essential resource for mental health and addictions professionals, researchers, and students interested in the most effective treatments for addiction, this book will dramatically impact the way addictions of all kinds are viewed and addressed in therapy. In this book, you will learn to apply mindfulness and acceptance to help patients with: Alcoholism Substance abuse Smoking cessation Gambling addiction Pornography addiction Binge eating Detoxification Self-stigma and shame The Mindfulness and Acceptance Practica Series As mindfulness and acceptance-based therapies gain momentum in the field of mental health, it is increasingly important for professionals to understand the full range of their applications. To keep up with the growing demand for authoritative resources on these treatments, The Mindfulness and Acceptance Practica Series was created. These edited books cover a range of evidence-based treatments, such as acceptance and commitment therapy (ACT), cognitive behavioral therapy (CBT), compassion-focused therapy (CFT), dialectical behavioral therapy (DBT), and mindfulness-based stress reduction (MBSR) therapy. Incorporating new research in the field of psychology, these books are powerful tools for mental health clinicians, researchers, advanced students, and anyone interested in the growth of mindfulness and acceptance strategies.

The Mindful Self-Compassion Workbook

A Proven Way to Accept Yourself, Build Inner Strength, and Thriveȳȳ *Guilford Publications*
Self-compassion is a powerful inner resource. More than a thousand research studies show the benefits of being a supportive friend to yourself, especially in times of need. This science-based workbook offers a step-by-step approach to breaking free of harsh self-judgments and impossible standards in order to cultivate emotional well-being. In a convenient large-size format, this is the first self-help resource based on the authors' groundbreaking 8-week Mindful Self-Compassion program, which has helped tens of thousands of people around the globe. Every chapter includes guided meditations (with audio downloads); informal practices to do anytime, anywhere; exercises; vivid examples of people using the techniques to address different types of challenges (relationship stress, weight and body image issues, health concerns, anxiety, and more); and empathic reflection questions. Working through the book, readers build essential skills for personal growth based on self-care--not self-criticism. See also The Mindful Path to Self-Compassion, by Christopher Germer, which delves into mindful self-compassion and shares moving stories of how it can change lives.

The Mindfulness-Based Emotional Balance Workbook

An Eight-Week Program for Improved Emotion Regulation and Resilience *New Harbinger Publications*
Experiencing emotions is a part of the richness of life. But sometimes emotions can get in the way of our health and happiness. Suppressing strong feelings like fear, anger, and resentment isn't the answer—in fact, doing so can lead to a host of physical problems, from a weakened immune system to heart disease. On the other hand, overreacting in the heat of the moment can be detrimental to relationships. So, how can you ride even the strongest waves of emotion without causing harm to yourself or others? This workbook offers a breakthrough, eight-week program using emotion

theory and mindfulness-based techniques to help you manage the overwhelming thoughts and feelings that cause you pain. You’ll learn to approach your emotions without judgment, understand their source, and foster forgiveness and kindness toward both yourself and others. Instead of trying to bury feelings or lashing out and hurting relationships, you'll learn how to cultivate emotional balance using this powerful program.

The Mindfulness Workbook for Addiction

A Guide to Coping with the Grief, Stress and Anger that Trigger Addictive Behaviors *New Harbinger Publications*

Most addictive behavior is rooted in some type of loss, be it the death of a loved one, coming to terms with limitations set by chronic health problems, or the end of a relationship. By turning to drugs and alcohol, people who have suffered a loss can numb their grief. In the process, they postpone their healing and can drive themselves further into addiction. The Mindfulness Workbook for Addiction offers readers an effective program for working through their addiction and grief with cognitive behavior therapy (CBT), dialectical behavior therapy (DBT), and acceptance and commitment therapy (ACT). Created by a psychologist who works for the Department of Veterans Affairs and a marriage and family therapist who works for Sharp Mesa Vista Hospital, this mindfulness training workbook is effective for treating the emotion dysregulation, stress, depression, and grief that lie at the heart of addiction. No matter the loss, the mindfulness skills in this workbook help readers process their grief, determine the function their addiction is serving, and replace the addiction with healthy coping behaviors.

Mindfulness and Acceptance in Sport

How to Help Athletes Perform and Thrive under Pressure *Routledge*

Mindfulness- and acceptance-based approaches such as Acceptance and Commitment Therapy (ACT) and Mindfulness Acceptance Commitment (MAC) are gaining momentum with sport psychology practitioners who work to support elite athletes. These acceptance-based, or third wave, cognitive behavioral approaches in sport psychology highlight that thought suppression and control techniques can trigger a metacognitive scanning process, and that excessive cognitive activity and task-irrelevant focus (self-focused attention such as trying to change thoughts) disrupts performance. Using this perspective, the aim of sport psychology interventions is not to help the athletes engage in the futile task of managing and controlling internal life. Rather, it suggests that sport psychology practitioners should work to increase athletes’ willingness to accept negative thoughts and emotions in pursuit of valued ends. Key aspects of such interventions include: teaching athletes to open up and accept, teaching athletes to mindfully engage in the present moment, and helping athletes formulate the values and engage in committed actions towards these values. The goal of Mindfulness and Acceptance in Sport: How to Help Athletes Perform and Thrive under Pressure then is to provide students, researchers, practitioners, and coaches of sport psychology with practical guidance for implementing mindfulness and acceptance approaches in their work with athletes. This book brings together highly experienced practitioners and shares their working methods, exercises, and cases to inspire the sport psychology profession.

The Worry Trap

How to Free Yourself from Worry & Anxiety Using Acceptance and Commitment Therapy *New Harbinger Publications*

Grounded in the powerful new acceptance and commitment therapy (ACT), this book will help you get relief from chronic worry and even generalized anxiety disorder (GAD) by learning to stop controlling your feelings and avoiding life and to start living it in a way that really matters to you.

The Mindful and Effective Employee

An Acceptance and Commitment Therapy Training Manual for Improving Well-Being and Performance *New Harbinger Publications*

The importance of improving and maintaining employees’ psychological health is now widely recognized by occupational health researchers and practitioners, business leaders, human resource professionals, and policy makers alike. Indeed, a growing body of research has established that psychological well-being is one of the most important factors in job performance. The Mindful and Effective Employee offers an evidence-based workplace training program based on acceptance and commitment therapy (ACT). The program is specifically designed to improve employees’

psychological health—as well as their effectiveness at work and in their personal lives—through a combination of mindfulness and values-guided behavioral skills. This book is designed for use by psychologists, coaches, occupational health practitioners, and human resource professionals who are interested in improving employee well-being, performance, and quality of life. The training program described in this book is designed to:

- Promote employee self-awareness
- Help employees find purpose, direction, and meaning
- Offer new ways to improve work and life effectiveness
- Help employees identify and pursue valued goals and actions

Anxiety Happens

52 Ways to Find Peace of Mind *New Harbinger Publications*

Break free from anxiety—once and for all! From the authors of The Mindfulness and Acceptance Workbook for Anxiety, this powerful yet portable guide offers fifty-two in-the-moment mindfulness strategies you can use anytime, anywhere to cultivate calm and radically transform your life. We live in an age of anxiety, and studies show that it’s only getting worse. Anxiety forces itself into our awareness and can deplete our energy, resources, and resolve. It screams “pay attention to me—or else.” We may confront it the moment we wake up in the morning, and it can even keep us from getting to sleep at night. In short, it can run our lives. But it doesn’t have to be this way. Building on the success of The Mindfulness and Acceptance Workbook for Anxiety, this quick reference guide offers fifty-two simple tools and strategies—one for each week of the year—based in proven-effective acceptance and commitment therapy (ACT) to help you break free from worry, fear, and panic. In addition to “in-the-moment” tools for staying calm, you’ll learn about the underlying causes of your anxiety, why avoidance just doesn’t work, how to move past your negative inner voice, and how focusing on your values can help you move past anxiety and live a rich, meaningful life. If—like many people—you’re fed up with anxiety getting in the way of living your life, the powerful little exercises in this guide will show you how to break the cycle of anxiety for good. This book has been selected as an Association for Behavioral and Cognitive Therapies Self-Help Book Recommendation—an honor bestowed on outstanding self-help books that are consistent with cognitive behavioral therapy (CBT) principles and that incorporate scientifically tested strategies for overcoming mental health difficulties. Used alone or in conjunction with therapy, our books offer powerful tools readers can use to jump-start changes in their lives.

Mindfulness and Acceptance for Treating Eating Disorders and Weight Concerns

Evidence-Based Interventions *New Harbinger Publications*

Disordered eating, negative body image, and problems with weight have become an epidemic—and research shows that traditional treatments are not always effective. This professional resource offers proven-effective interventions using mindfulness and acceptance for treating clients with disordered eating, body image, or weight issues—and for whom other treatments have failed. Millions of people in the United States suffer from eating disorders, and dissatisfaction with weight and body type—even in individuals whose weight is considered normal—is similarly widespread. In addition, more than half of Americans could benefit from healthy weight loss. Unfortunately, not all people with eating disorders or weight concerns respond to traditional therapeutic interventions; many continue to suffer significant symptoms even after treatment. What these clients need is an integrated therapeutic approach that will prove effective in the long run—like the scientifically backed methods in this much-needed clinical guide. Edited by Ann F. Haynos, Jason Lillis, Evan M. Forman, and Meghan L. Butryn; and with contributors including Kay Segal, Debra Safer, and Hugo Alberts; Mindfulness and Acceptance for Treating Eating Disorders and Weight Concerns is the first professional resource to incorporate a variety of proven-effective acceptance- and mindfulness-based approaches—such as acceptance and commitment therapy (ACT), dialectical behavior therapy (DBT), and mindfulness-based cognitive therapy (MBCT)—into the treatment of persistent disordered eating, body image issues, and weight problems. With these evidence-based interventions, you’ll be ready to help your clients move beyond their problems with disordered eating, body dissatisfaction, and weight management once and for all.

The Joy of Parenting

An Acceptance & Commitment Therapy Guide to Effective Parenting in the Early Years *New Harbinger Publications*

Offers parents acceptance and commitment therapy skills to help them develop flexibility and mindfulness when parenting their children, and includes exercises covering such topics as handling tantrums and refocusing values.
