Founded by influential activist and author of The Pursuit of Motherhood, Jessica Hepburn, in partnership with theatre producer Gabby Vautier, Fertility Fest is a rare, open and collaborative platform that aims to drive social change. This third edition features the first theatre production based on Julia Leigh's memoir Avalanche.

Fertility Fest | Barbican

The 21st century is defined by the calendar rather than by any unifying

characteristics of musical style or attitude, and is therefore not an era of the same order as the classical or romantic. However, the century to date can be considered a continuation of the postmodern era that began during the 20th century and differs from the earlier modernist era in matters of attitude more than style.

List of 21st-century classical composers - Wikipedia

A poetry reading from the publication, *Spells: 21st - Century Occult Poetry*. Spells together over thirty contemporary voices exploring the territory where justice, self-hood and the imagination meet the animating power of the occult.
