Kenneth S. Jolly's Black Liberation in the Midwest joins a growing body of scholarship that rethinks the periodization and regional boundaries of the black freedom struggle—by looking at the development of black power in St. Louis. In particular, Jolly, like other emerging scholars, looks at black power as a local movement—insisting that the still-dominant treatment of black power that frames it though national figures and broad ideologies misses a crucial component of what the movement ...

e. The Black Liberators was a militant civil-rights organization formed in St. Louis, Missouri in the spring of 1968. The Liberators were led through most of their short existence by Charles Koen, who went on to organize a nationally noted civil-rights campaign in Cairo, Illinois. The organization was strongly inspired by the Black Panther Party which had established a firm base in the neighboring city of Chicago, adopting the party military-style uniforms, radical rhetoric, and black ...
